Apply Zam-Buk to all wounds and sores and you will be surprised how quickly it stops the smarting and brings ease. It covers the wound with a layer of protective balm, kills all poison germs already in the wound, and prevents others entering. Its rich healing herbal essences then build up from the bottom, fresh tissue; and in a wonderfully short time the wound is healed!

VOLIVA TO BUY ZION CITY

the late Zion leader by getting an Russo-Japanese War." otion on the entire Zion estate from This statement, made by one of the

tate Its Former Greatness

According to an estimate made last between the estate is worth about the struggle. One favorite form of graft of the receiver includes three thousand acres of farm land, eight hundred acres of lake front land, 2,400 city lots in Zion City, contracts, notes and accounts valued at \$120,000, twenty dwellings and twenty business houses in Zion City.

According to an estimate made last between the struggle of the war ending their graft, and thus only in a mediate way can she share in the progressive development of the world. Germany, the new industrial state, rightly progressive development of the world. Her necessities for further growth are bought for practically nothing and made late way can she share in the progressive development of the world. Her necessities for further growth are imperative, says a writer in Review of Reviews.

Incomprehensible to many of our content would then report that the goods wellings and twenty business houses in Zion City.

The property in the hands struggle. One favorite form of graft was truggle. One favorite form of graft was to send to the front rotten stores bought for practically nothing and in the progressive development of the world. Her necessities for further growth are imperative, says a writer in Review of Reviews.

Incomprehensible to many of our content would then report that the goods that the goods had spoiled in transit. Many officials is taking place before our very eyes.

Mark its significance. In the eighteenth was the progressive development of the world.

Mark its significance. In the eight man they became coinable gold-derivation of the

TENNESSEE WANTS GOOD ROADS Iliteracy Walks Hand in Hand With

Poor Highways, Say Experts (From the Memphis News-Scimitar) Through organization, legislation nd constant activity, citizens of Tenessee, representing all walks of life and living in both city and country, propose to add many improvements to the public roads system of this state. The movement in the direction of better roads, or rather what is now popularly known as the "good roads

novement," is not original with this state by any means, but it is said by those who have studied it to be one of the most important requisites of prospersus commercial intercourse. from all parts of the state gathered to for Tennessee what has already been

ealized in states in the north, east According to figures in possession of the government, illiteracy walks hand in hand with poor roadways. Logan Waller Page, director of this depart-ment, shows that in five northern states having 34.92 per cent of the roads improved 77 per cent of the scholastic population in the country districts attend school. Mr. Page has also found out that in five southern states, which have only 1.5 per cent of the roads improved, but fifty-nine out of one hundred children attend school. ditions in the country the reason for enthusiasts in this state declare that Tennessee is cheating her own children

EARL GREY WILL EXAMINE THE HUDSON BAY ROUTE

Ottawa, May 26.—Earl Grey expects to go to Winnipeg in July and from there over the proposed Hudson Bay railway to Fort Churchill. At Fort Churchili he contemplates boarding a government steamer to be taken through Hudson Straits and home via the Atlantic and Guif of St. Lawrence. To Fort Churchill he will be escorted by a detachment of Northwest Mount-

"NO, LOVE CAN NEVER DIE." "It's Nature," Says Mrs. Bates, Answaring Gertrude Atherton.

New York, May 26 .- The subject "will love ever go out of fashion?" contin-ues to agitate the club women's atmosphere here. Gertrude Atherton declared it will. Ethel Watts Mumgaret Holmes Bates, author and wo-man's suffrage advocate, adds "Never" and a few other words. Among these

"Love is nature, we can never abolish it. A woman author has described the ideal husband and wife as spirit ual comrades, mental companions, physical mates. To my mind that is an admirable definition and conveys an idea of the sort of love that never dies for the individual and can never

"Love and marriage are governed by Whatever statutes have said of the minal head of the family, the actual head has always been determined by this law. And it's just as often a wom-

"The feebler man's intellect, the more tyrannical he is—the more he tries to bully his wife and the firmer is his conviction of superiority. Time will eradicate the inequalities of love. Woen won't have to purchase it at usurious rates, as they do today, but to say nat love will become unfashionable is to say the human race will stand still. as law or medicine, and requires jus as special talents. Not every woman is fitted for it any more than she is endowed with the power to be a splendid court pleader or a great physician Good wives are born, not manufacture

than the sun will, or the stars. It will last till the sun grows cold and the stars are old, and the leaves of the judgment book unfold. The question really cannot be taken seriously. So long as women and men exist, love will
