SIGN PAINTING.

VISITORS TO THE FAIR-SEE GLEN DERMATOLOGY.

The doctor charges for treatment whether he does you any good or not. Advertising space costs just as much for a no good ad as an ad that sells goods. The important thing is the copy. Any fool can buy space, but it takes ability and wit to make it profitable.

When you advertise in the Want Columns you are sure of reaching the people-satisfactory results must naturally follow. The merchant who seeks new and up-to-date ideas of interesting the public is the one who retires in after years owning a nice little "brown stone front" with a good, fat bank account Want Ads make busihess a pleasure. There are many ways of using Want Ads to great advantage-Call Phone 107 and ask

"THE WANT AD MAN."

adapted to steel conversion, but now, under the plans of the syndicate, unlimited water power to produce electricity for the new process of electrolytic steel production can be obtained by concessions, and the syndicate expects to furnish ten millions of capital at once for the work, increasing as necessary in developing demands. The investigations of Superintendent of Mines Haanel, of ottawa, who has just reported an official inspection of the new plant at Chippewa, shows enormous possibiliies, as the experimental plant is an unquestioned success, demonstrating that electrical treatment of magnetic

TUPPER AND THE TARIFF Tells Englishmen to Deal Liberally With Canada.

London, Sept. 18.-Sir Charles Tupper, speaking at Plumstead on behalf of the Tariff Reform League, said that from the point of view of Canada the present fiscal question was the most momentous that had occupied the attention of the people during the past 50 years. If Britain dealt with Canada iberally it would bring about an enernous development of the country in about five years, and certainly within ten at the outside Canada would be
