Weather-Foggy CHICAGO EXCHANGE. Reported by F. H. Butler, stock broker Masonic Temple, for The Advertiser.

NEW YORK. New York, Nov. 5.—Butter irregular; receipts, 6.680 pkgs; renovated, extras, 18c; do, firsts, 16½c to 17½c; do, seconds, 15c to 16c. Cheese quiet and unchanged; receipts, 7,708 boxes. Eggs strong and unchanged; receipts, 10.171 cases.

SUGAR MARKETS. NEW YORK.
New York, Nov. 5.—Sugar—Raw quiet; refined quiet; crushed, \$5 30; powdered, \$4 80; granulated, \$4 70. HAY MARKETS. TORONTO.

Toronto, Nov. 5.-Baled Hay-The receipts are heavier and the market is quoted easier, at \$9 per ton for car lots on the track here,
Baled Straw—There is a little better demand for straw at present, and, if anything, there is a firmer tone to the market. Quotations are unchanged, at \$5 per to for car lots on the track here. BEAN MARKET.

DETROIT. Detroit, Nov. 5.-Beans attracted but little attention yesterday. There was a little inquiry for spot beans, but in the options there were sellers of the list. Cash, \$1 90; Nov., \$1 85 asked; Dec. and Jan., \$1 75 asked.

Pilots Carried to Sea.

"The Liverpool pilot who was carried by Queenstown and landed in New York last week will not have to pay anything for his passage or meals, but he will have Court Tells Two Churches to Fight more spare time on his hands than he likes to think about," said a Sandy Hook pilot. "If he has never been across before he may enjoy himself a bit seeing New York, but when he thinks of the market dull; good to prime steers, \$5 to \$5 40; poor to medium, \$3 40 to \$4 80; stockers and feeders. \$2 to \$4 25; cows. \$1 to 75 at 63½, 50 at 63½, 50 at 63½, 25 at 63½, carried over, but since the days of steam pilot boats we can always manage to Sheep—Receipts, 8,000; sheep and lambs slow; good to choice wethers, \$3 to \$3 60: take a man off, in spite of rough weather. make, isn't going to stop for a little thing like dropping a pilot. It is cheaper for her to carry him along than to delay, but it's mighty hard on him. In the old Toronto. Nov. 6.-Wheat-Good demand: days the boys used to chip in for a little as a wine-producing country.

Every Bylaw Should Be Enforced, Says Engineer

iever in the strict enforcement of every bylaw that is placed on the city statute book. He doesn't like the idea to the medical health officer, whose to the medical health officer, whose work, etc. of the aldermen passing bylaws and only object in proceeding in the mathematical for the present industrial then allowing them to be broken by every person that sees fit to do so, without prosecuting the offenders.

Mr. Graydon spoke his mind in the matter this morning, when he was ponlering over two summonses which he is about to serve on citizens who have by erecting frame buildings near the

neart of the city.

The prosecutions which he is about to commence are the first he has insti-tuted for two or three years—not beextra, and 39c for No. 3 for feed, middle freights. Buckwheat—Quiet, at 40c to 41c cause the bylaw has not been broken, for No. 2, middle freights. Rye—Steady at 50c to 51c for No. 2, middle freights, Corn—Quiet; American, 54c for No. 2 wixed or No. 3 yellow, 53½c for No. 2 mixed or No. 3 yellow, and 52½c for No. 3 mixed in car lots on the track. Toronto. Oats—Easiers is described by the freights norther than the freights norther two or three years—not because the bylaw has not been broken, but simply because when he does not get the support of the council. One of the last persons brought to court was a north end does not get the support of the council. One of the last persons brought to court was a north end does not get the support of the council. One of the last persons brought to court was a north end does not get the support of the council. One of the last persons brought to court was a north end does not get the support of the council. One of the last persons brought to court was a north end does not get the support of the council. One of the last persons brought to court was a north end does not get the support of the council. One of the last persons brought to council. One of the last persons brought to council or when he does not get the support of the council. One of the last persons brought to council or when he does not get the support of the council or when he does not get the support of the council or when he does not get the support of the council or when he does not get the support of the council or when he does not get the support of the council or when he does not get the support of the council or when he does not get the support of the council or when he does not get the support of the council or when he does not get the support of the council or when he does not get the support of the council or when he does not get the support of the council or when he does not get the support of the council or when he does not get the support of the council or when he does not get the support of the counci side the fire limits. A conviction was sécured, whereat the council turned around and ordered the engineer to go no further. The result is that the barn is still standing and that it has not been bricked over.

This, Mr. Graydon says, is an unwise course for the aldermen to pursue, for the simple reason that it gives others the idea that the bylaws are not worth the paper they are written on and can be broken with impunity. It also makes him look "cheap" in the eyes of the

"That has always been a fault with the councils of London," he said. "They pass bylaws, but when it comes to the enforcement of them it is an entirely share of a work which they did not different thing. There is the antispitting bylaw, for instance. London abeth street, was, however, the only was the first Canadian city to adopt means of securing an outlet for it. A such a measure, yet when it is placed upon the books it is practically a dead tion, or even a prosecution commenced under it since it became law, and there are 49 persons on the roll in the written for this popular dance. everybody knows full well how it is blocks affected. The ratepayers on Ashbury Erooks, a colored broken. Only the other day complaint in front of the Opera House was made almost impassable by a gang of men and boys who were standing there. Policemen are supposed to be in the vicinity on opera nights, and they not only allow the men to hang around fever patients. No move has been

Liverpool, Nov. 6.—Wheat—Spot, No. 2 red western winter steady, 6s 3d; No. 1 northern spring, no stock. Futures were steady; Dec., 6s 5%d; March, 6s 5%d; Ma
