Fixtures in Border City Circuit. SARNIA, Jan. 11 .- In the Sarnia City League tonight the Imperials took the lead in group one, beating the Veterans, 9 to 3, while the Collegiate increased their lead in group two, winning from the Lumbermen, 3 to 6. With the score 4 to 1 against them in the last period the Veterans came to life, scoring two goals, but faded badly toward the end, the Imperials scoring 5. The Veterans were weakened by the absence of Parkin and 'Jiggle' Cameron in goal. Finch and Leader played good hockey for the Imperials, and Joss in goal was good as usual. While the past season was a success in part, it was thought that the coming season, with the league an established fact and business in both countries read/isted, there is no reason why the league should not be a huge success.

The season will open in the four Ontario cities on or about May 11.

The daily guarantee for visiting clubs was raised. The salary limit was increased to \$550 per month, and the fact that there is little chance of railway iares being reduced during the next season undoubtedly will mean a slight increase in admission prices through—
