Bishop of London Returns From Tour of Europe With Disturbing Picture.

DISRUPTION FEARED

Heart of British Empire Can Only Be Saved by Dictator, Fallon Believes.

England, nearing the brink grievous disruption, can only be saved from a state of industrial and social collapse by a gov- a ernment of super strength, a distatorship similar to that Mussolini has successfully employed in keeping Italy on an even keel.

This disturbing picture of the pivot of the British empire was drawn today by Rt. Rev. M. F. Fallon, D.D., Bishop of London, just returned from a two months' tour of Western Europe and the British Isles. His lordship headed a pilgrimage of 65 Ontario in the city this morning, accompanied Car Sideswipes Bus at Proof by Rev. Frs. Brennan, Forristal, Mahoney and Pocock.

"Anything may happen at any time," is Bishop Fallon's diagnosis of the condition of England today. CAR BADLY WRECKED France was placed alongside England as being in a dangerously anaemic social and political state From his own observations, His lardship believes that the rest of Europe is healthy. Industrial Menace.

"The industrial and social state o small politics only can be blamed for
