FAILING

GLOVES,

That is what a great many people are doing. They don't know just what is the matter, but they have a combination of pains and aches, and each month they grow worse. The only sure remedy yet found, is Davis' Quinine Iron and Wine,

and this by rapid and thorough assimilation with the blood, purifies and enriches it, and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out disease and gives health and strength.

This is why Davis' Quinine, Iron and Wine will cure Dispepsia, Indigestion, Liver Complete, Malaria, Intermittent Fevers, General Debility, etc. etc.

BURTON, Sun. Co., July 17, 1883 GEO. H. DAVIS: DEAR SIR,-I was a great sufferer from Dyspepsia, and for several weeks could eat nothing, and was growing weaker even day. I tried Davis' Quinine, Iron and Wine, and am happy to say I now have a good appetite and am getting stronger.
