AYER'S PILLS.

FOR ALL THE PURPOSES OF A

FAMILY PHYSIC.

THERE has long existed a public demand for an effective purgative pill which could be relied on as safe and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown what success it accomplishes the purpose designed. It is easy to make a physical pill, but not easy to make the best of all pills—one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is so unwholesome and irritating to the bowels. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. These pills produce no irritation or pain, unless it arise from a previously existing obstruction or derangement in the bowels. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the complaints which have been speedily cured by them, we mention Liver Complaint, in its various forms of Jaundice, Indigestion, Langour and Loss of Appetite, Lasciviousness, Irritability, Bilious Headache, Bilious Fever, Fever and Ague, Pain in the Side and Loins; for, in truth, all these are but the consequences of diseased action in the liver. As an aperient, they afford prompt and sure relief in Constipation, Piles, Colic, Dysentery, Hemorrhoids, Scrophulous and Scary, Colic with soreness of the body, Ulcers and impurity of the blood; in short, any and every case where a purgative is required.

They have also produced some singularly successful cures in Rheumatism, (stiff, Dropsy, Gravel, Crispas, Palpitation of the Heart, Pains in the Back, Stomach, and Side. They should be freely taken in the spring of the year, to purify the blood and prepare the system for the change of seasons. As an occasional dose stimulates the strength, invigorates the system, and restores the appetite and vigor. They purify the blood, and by their stimulant action of the circulatory system, revivify the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence an occasional dose is an advantage, even though no serious derangement exists; but unnecessary doses should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The thousand cases in which a physic is required cannot be enumerated here, but we suggest themselves to the reason of every body; and it is confidently believed that this pill will answer a better purpose than any thing which has hitherto been available to mankind. When their virtues are once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine.

PREPARED BY JAMES C. AYER, Assayer and Practical Chemist, LOWELL, MASS. Price 25 Cents per Box. Five Boxes for \$1. SOLD BY Agents for St. Andrews, Odell & Turner at M. S. Hannah's, St. George, E. P. Knight.

Stammering Cured!

DR. BRONSON, AND C. C. BEERS, ARE happy in announcing that STAMMERING can be PERMANENTLY CURED by Medicine and Vocal Gymnastics. It is first treated as a Nervous Disease, (like St. Vitus' Dance, Epileptic Fits, etc.) and then the habit, incident to the disease, is corrected by exercises in Elocution. Mr. Beers has been an inveterate stammerer for thirty-five years; has attended many institutions for the cure of stammering, and expended hundreds of dollars without any permanent benefit, but cured himself, 18 months ago, and has ever since remained so. With the same means, we have cured others, to whom we would gladly refer any applicants—not having failed in a single instance. Being satisfied from reason, experience, and observation, that stammering is the effect of a Nervous Disorder, and can be perfectly cured by the above means in the course of two or three weeks, we assure all interested of these gratifying results, and guarantee a permanent cure, or refund the small fee paid in advance. Those desiring further information on these subjects, (including terms, guaranty, etc.) can obtain it from our New York just issued, on Stammering, its Effects, Causes and Remedies. Illustrated by One Hundred Engravings: Price, One Dollar; on the receipt of which the Book will be sent without expense, and the money thus paid will be credited to the bill for Treatment. Board, etc. furnished on reasonable terms.—Address BRONSON & BEERS, 185, Washington-street, Boston, Mass.
