BANKS,

Tailor,

The day after the affair at Burton's in was made heartily welcome at the lartest of the three cabine. Andrew had shouted : daughter about 20 years old, and I Real ten wkward as a calf, and dead in love. knives and forks and spoons and run out of the back. He felt confused and embarassed, and taking his seat on a log about 30 feet from the bouse. he bid his face as much as possible behind a sapling. Andrew called to him, inger in his mouth and would not desert him ome. Then his Susan went out and

Now, Dayy, what's the acrimmage? He'un haen't come yere to burt we-

' I sin't scart.' Then came along in. All of us will be asbamed of ye.

Got a headache, said Davy, as he bung back.

afraid he'll poke tun at we'uns! But he won't, Davy. Pop's dun told him we're to line, and he says it's right. He'un won't laft, Davy.'

Shucks. You's bashful! You's many tricks on their fellow passengers.

The story is that one of the jokers the Clerk of the Municipality of Juna threw a big, lighted Jackson fire cracker pois up to Friday the 31st day of August into the berth occupied by Savage. It inst., at mon, for supplying the following a price of the supplying th

ease. In this I succeeded so well that and the wound treated. It grew worse

No, sir-e-el You are a locky man o get such a girl as Sue.' But folks'! laft. Let 'em laugh.'

the storekeeper, and wrote out a list of voice actually trembled as he said :

can't mean it! Oh, but I do.' 1Xe.011 911 0

lighted Sue said to me : 'You won't keer, will you?'

' About what ?' ' And pop said you wouldn't leff no titter.

What at ?

They sat down on the door sill, and after a minute Dave queried : Hain't nobody lookin', be thar ?'

Guess not. Then I'm goin' to !' · No, you hain't! But I must, cause I orter!

He put his arm around her waist, and there was another long silence. Then he said : · Kin I squeeze yer band!

Noap. But I orter. Well, mebbe. 'And you hain't kissed me fur no

'David! But I orter be kissed. And you ors ter be kissed.'

'I can't consider.' But you orter. Nobody'll see. Well, mebbe you know best.' Course I know best. Haven't I kill

ed bar's and wildcats?' Sartin, fur I seed that hides.'
Don't sot way off that, Susan. Nosp. clusser.'

But you orter. Yer pop would say yer orter. Haint we most married?' 'Well, mebbe I orter.'

Noap.

I well off to bed and left them there, and I shouldn't wonder if they put in most of the night at it. At about ten or clock next morning the people began Govenlock, Ether, Ont. to drop in, and at eleven the marriage look place. The groom and a weak!

spett, but I braced him up, and when the fatal noose was adjusted and the trap sprung his conduct was fair to medium. After dumer we formed in rocession and escorted them to their new home. Almost everybody had ndrews drew the articles out and it took every one's breath away as she

soon understood that she was to be mar ried next day. Indeed, the young man thread! And here's end and molas-was on the ground and waiting. He see and apan! And here's crockery was a six-footer, slim as a toothpick, ware—real crockeryware—and here's The girl was more shy, but not to be But all the women were crying by pluffed by my presence. When I en that time, and all the men were tremtered the front door, the young man, bling with excitement. They laid it who answered to the name of Davy, onto me, and then Andrews called

Yere-Dave, Sue-git right down yere on yer knees and sw'ar to the etranger that you'll pot-luck with bim hind a sapling. Andrew called to him, an' his'n as long as grass grows and then Mrs. Andrew called, but he put his water runs, and may the Lord never esers him b And who could ask for a greater re-Mald 3

A Fatal Joke. PITTEBURG, Aug. 1 .- Hugh Savage, ssistant engineer at the Soho Mills, died at 5 o'clock this morning at his home. From a friend of the deceased it was learned to-day that he and a Yes, orful honest. Feels like it 'ud namber of friends left last week for Chautauqua Lake for a week's pleasure.

On the way some of the party played many tricks on their tellow passengers.

The story is that one of the and a many tricks on their tellow passengers.

exploded and lacerated his leg from the articles for the Fur shore?

Fur shake shore. Come in, Davy.

She came leading him by the hand, and I did my best to put him at his and I did my best to put him at his and the waynd treated. It graw worse.

and I did my best to put him at the ease. In this i succeeded so well that after dinner he took me into his confidence. We were lying under a free, and I had given him the first cigar be ever saw when he suddenly said:

'Would you—you run away?'

'What I From getting married?'

'Yes.'

'Yes.'

In this i succeeded so well that and the wound treated. It grew worse until yesterday, when the family being dissatisfied, they called in another physician, who examined it and afterwards lanced it. He took out a quantity of wadding and powder. During the operation, however, the patient was seized with lookjaw and died. He leaves a widow and three children.

I've killed bar's and rattlers and crat writer. 'I feel sorry for them, not wildcars, and I've had fights and rows. because of any harm the freckles do, but this skeers me.

I got him braced up after an hour's talk, and then we took a cut through the woods to see the new cabin which had been erected for the bridal couple. It was an humble structure made of poles, with no door to the doorway and no sash in the window. The ground was besten down hard for a floor, there was a rude fireplace at one end, and a bedstead had been made of poles laid in crotches. Davy's mother had given him a bearskin, a kettle, a skillet and a jug, and these were placed in a corner.

Susan's parents had given her a pan. Susan's parents had given her a pan, been removed some time before. It

a kettle, three tin plates, two spoons, two knives and forks and a bottle of vinegar, and these were placed in an other corner. That was the whole out other corner. That was the whole out washed my face in that manner. Judge of my astonishment, a few days later, The mountaineers were my friends. on seeing that there was not a freckle They had gone to every trouble to oblige lett on my face. A number of my girl me, and here was on opportunity triends then tried it, and the resolute their kindness. There was a genuine country store about a mile away, and I got rid of Dayy and went the face, the juice of the watermelon MURDOCH'S BLOCK, Upstairs, down there. Japan's Remarkable Colliery. [From the Japan Weekly Mail].

Jaker's Carner.

Among private enterprises the most re-arkable in Japan is unquestionably the Mr. Buskett's Dog Fight. [From the Chicago Tribune.] Cakashima Colliery, which takes its name from the rocky island on which it stands. 'I came to Chicago for a visit last In its early days, and these are but 20 years January,' said Mr. William C. Buskett ago, it was a petty affair, producing a few of Montana yesterday. The weather hundred fons annually for the use of Jap- was bitter cold, but residence in Monsimson's Liniment.

Its penetrating powers in cases of Rheumatim, Lame Backs, Neuralgia, Sore Threat, etc., have been theroughly proven. Mr. James Avery, Mallorytown, Leeds Co., ont. writes:

"Shortly after your agent was here last winter my sou unfortunately strained the doords of his backs, and not paying attention to it at once caught cold which sected there. He was laid up for about a week and suffering considerably. It as an experiment, gave your SIMSON'S LINIMENT a trial and it brought him around in twenty-four hours. The artily recommend it."

BROWN BROTHERS & CO., Others are the successional steamers. Now its yearly output is about a week and suffering to that port is a sealskin cost, as a seals

ary feature of the colliery work at the port of Nagasaki, a few miles distant from the mine. Not less than 5,000 women are kept upon the staff of the enterprise, for the purpose of filling the bunkers of vessels there arriving. The method pursued is peculiar to Nagaski. Eighters carrying the coal come alongside the ship to be auapplied, and with each of them is a regi-Public Auction,

A Long-Felt Want.

-Quite lately a Chicago lady visited Toronto and afterwards published a letter (From the Chicago Tribune, Aug. 8. a newspaper of that city complaining of the too strict Sabbath keeping in "slow, poky, sleepy, Canada." She added that the moral record was not any better on this looked at the agitated youth who was than upon the other side of the line. To You think you need a wife, young this the Chicago Canadian American re-plies:— would fill the bill, would she? She would, indeed, sir," replied the In twelve months more murders and murderous assaults are committed in the saloons on South State and South Clark streets in this city on the first day of the week than are committed in the whole of Canada in 365 days.

More murders in two streets of Chicago felt or rather a fong lent walt -no, a on Souday than in all Canada in 365 days! n Sunday than in all Canada id 365 days ! wrong font welt-indeed, she would,

Mr. Ksjones, persisted the bewildered youth, though I should have said, of course, a feng—'
'George,' interposed Mr. Ksjones, coming to his relief, have you said anything to Laura yet?' age summer resort is said to be more painfully apparent this year than ever before. If something could be done to stimulate the importation of this class into the mountains and by the sea, it would be a boou, indeed. Here is a case where the law of supply and demand strangely fails to operate. It is doubtful if even the offering of a premium in the way of bounty were to bring what is wanted. But there is a reproach to the youth of America of the sterner sex even in the suggestion. The case is one that affords lamenthing to Laura yet?

'No, sir; I thought I ought to speak to you.'

'Well, George,' said the young lady's father, kindly, 'take my advice—if you can't get the prospectus entangled be-fore you see her again, you'd better send a more experienced canvasser.

Missed Her Chance, - Dear I dear! he said as he laid down his paper and looked around the car, but a hundred aillion dollars is too much for any one man to have." 'Who's got it?' asked the man on his right.

Australian Mics. The mouse pest in have thrived enormously, and there is said to be " hardly a residence or store that is not pestered by the plague.
