Local Happenings

The evaporator closed down last week. Business in the dried fruit trade is the cause assigned.

On Friday night, December 1st, the Hockey Club give their first dance of the season in the Court House and a good programme has been provided.

The monthly meeting of W.M.A.S. of the Baptist Church will be held at the home of Mrs. Clarence Young, on Tuesday evening, Dec. 5th, at 7.30.

"Can we afford not to have a band?" Instead of "Can we afford to have a band?" is the question which should command the attention of every business man and resident of Bridgetown.

Dr. N. R. Warey leaves about the fourth of December for Boston where she will take a Post Graduate course in dentistry at Research Department of the Dental Supply Company.

It is interesting to note that three of the four assistant general managers who have just been appointed by the general manager of the Royal Bank of Canada, are former Maritime Provincials' men.

The three master, Ronald C. Longmire, arrived in port Sunday night from New York with a cargo of 300 tons of hard coal. This is meeting with a ready sale from the firm of J. H. Longmire & Son. The work of discharging is going on day and night. When finished the vessel sails for Digby to load lumber for New York.

The Club is increasing its membership and looks ahead to a successful season. They expect to give the sports some good games at the new rink this winter. Come to the dance on Friday night, have a good time and help get the boys away to a good start in the necessary preliminary to give a little practical support now is doubly valuable and doubly appreciated.

The four masted schooner "Augusta W. Snow", sailed Tuesday from this port for Baltimore, with 419 tons of pulp, value \$10,000 shipped by the Premier Paper Company of Hartville, about eight miles from Windsor. This is the first shipment of pulp from this port in fifteen years and is but the beginning of big things in the development of pulp and paper in this vicinity.—Windsor Tribune.

The MONITOR is in receipt of, and thanks Mr. B. W. Nelly, a former resident of the town, but for years a citizen of Nome, Alaska, for a copy of the Nome Nugget, a twelve page well printed paper with numbers of cuts illustrating gold mining operations. It costs 25 cents per copy and ads such as Marshal sales are \$1.00 per line with other advertising in proportion. However it is well filled with snappy ads and is evidently appreciated by the citizens of the gold mining town in which it is published.

Mr. and Mrs. Frank A. Grant, who were residents of North Sydney some years ago while Mr. Grant was lieutenant with the Royal Canadian Artillery at Cranberry Head, and who have since lived in Halifax, expect to move this month for Bridgetown, N. S., where they will make their home.—(North Sydney Herald.) Mrs. Grant arrived here Saturday last, while Mr. Grant, in collaboration with Mr. Humphrey, had been here some little time engaged in important experimental work, the results of which will probably prove of much importance locally. The MONITOR expects to give its readers a resume of these at a little later date.

WEDDING

Owen-Phinney

Middleton.—A very pretty wedding took place at twelve o'clock noon on Wednesday, November 22nd, at the home of Mr. and Mrs. Robert I. Phinney, Middleton, when their youngest daughter, Georgina, was united in marriage to Mr. William Owen, of Berwick. The rooms were tastefully decorated for the occasion with evergreens and chrysanthemums. The bride wore a navy suit of tricotine opening over a blouse of henna tricotine with hat to match. She entered the room on the arm of her father, to the strains of Mendelssohn's wedding march, played by Mrs. Ewert Morse, cousin of the bride.
Rev. J. G. Hockin, pastor of the Methodist Church, performed the ceremony in the presence of relatives and a few intimate friends, after the ceremony a dainty luncheon was served. The happy couple then left on the afternoon train for Halifax. Upon their return they will reside at Berwick. The bride received many beautiful gifts from her many friends.

CHANGING FOG ALARM

St. John, N. B.—Work was started Thursday by the Federal Marine and Fisheries Department at Apple River changing the fog alarm plant from a steam plant to one run by an oil engine.

PRIMROSE THEATRE, MON. AND TUESDAY, DEC. 4th and 5th. "THUNDERCLAP"

William Fox Race Track Drama Wins in a Hot Finish—Contains Equal Parts of High Grade Sensation and Heart Interest.

"Thunderclap" is an appeal to primitive emotion. With this object in view, the author has cleared a straight path to his goal. The picture contains equal parts of high grade sensation and heart interest. Innocence and helplessness are made the victims of brute force; the horse that wins in a hot finish, one of the most thrilling races ever shown on the screen, brings home the happiness of the heroine with the prize money; the hero battles for his life in a surging torrent for miles and keeps the spectator on the edge of his seat, until the sensational rescue at the brink of the falls. Every trick of melodrama is skillfully used. There are touches of comedy and unexpected turns of plot that will set any body of spectators to laughing or cheering, just as they did at the first public presentation of the picture at the Central Theatre, New York City. "Thunderclap" is all showmanship. The average film fan will enjoy every foot of it, and so will the highbrow, even when he assumes his most superior attitude. It is fundamentally on firm ground, and the construction and acting of the story insure its success. There is something doing—and being done right—from start to finish. It is a more clear call to the moving picture industry to make drama.

Mary Carr has another mother role in the picture. The part is a difficult one, a paralytic who can move only her eyes. Mrs. Carr plays it with beautiful feeling and sincerity. J. Barney Sherry, Paul Willis, John Daly Murphy and a colored boy named Thomas McCann are other shining marks in the cast. Director Stanton has done himself proud with the river scene and the horse race, and packed them with thrills. "Thunderclap" is the big noise in race track drama.

OBITUARY

Miss Emma H. Jackson

The death of Miss Emma H. Jackson, on Sunday morning, November 19th, at four o'clock, at the home of her sister-in-law, Mrs. S. N. Jackson, removes the last member of one of the oldest Clarence families—that of Deacon Silas Jackson.

Miss Jackson was nearly 78 years and, although her life had been lived practically in the old home, by her love of nature and art and her life-long devotion to the church and the Sunday School where she was a valued teacher for many years her influence has touched many lives and her passing will be mourned by a host of friends.

The funeral service was held on Monday afternoon, conducted by her pastor, Rev. W. S. Smith, who brought a message of comfort and hope from the words of Paul, "To Die Is Gain." Among the many floral offerings was a beautiful wreath from the Clarence W.M.A.S., organized fifty years ago, of which she was a charter member.

Interment at Pine Grove Cemetery.

Like Peaches in August!

Say what you will about Peaches this Christmas, there's nothing as good as their taste when taken fresh from the trees and eaten with the sun still shining on them.

So with tea.

The new crop has just been picked in the gardens of India and Ceylon—it is the most delicious in decades. The Blue Bird is the first to offer you this because, being the fastest sailing tea in the far, it has disposed of the last season's and is offering you the fresh, crisp fruit as fast as they come to Canada.
