CAPT. BLOOD CAPTURES PIRATE SHIP

DOCTOR TRICKS ENEMY AND SAILS WITH REBELS

Camp Cleverly Planned Leads All Slaves to Freedom.

(By Rafael Sabatini)

Bridgetown, Carlisle Bay, Barbadoes, March 19, 1886.—A coup such as never before undertaken within the history of the Spanish Main was successfully ventured by Peter Blood, rebel-convict, who was sold into slavery here on orders of King James and today this stricken town, still suffering from the raid of the Spaniards under Don Diego Espinosa Valdez, is free of its oppressors.

And, while Peter Blood was freeing Bridgetown of these Spaniard buccaneers, he himself won liberty and freedom for his fellow slaves who had been condemned under Lord Jeffreys.

Don Diego was fixing the ransom to be paid in gold pieces of eight and his soldiers were looting and drinking and ravaging the citizenry when, under cover of darkness, Peter Blood and his band of convict-rebels slipped on board the Cinco Llagas. They overpowered the guard and when Don Diego appeared with his bodyguard they made him prisoner, too. They turned the guns onto the returning Spaniards and sank their small boats.

Colonel Bishop went on board to congratulate Blood and to demand the return of the convict-rebels to their labors. Blood wasted no time with the military commander. He used him to make way to safety beyond the harbor, then putting down a small boat for his safety, put him to the plank. Blood and his crew sailed for Tortuga, rendezvous of the pirates of the Spanish Main.

TRAIN SERVICE ON D. A. R. WILL PROVIDE BETTER FACILITIES

Daily Fast-Freight, Halifax to Yarmouth—All Way Freight to Carry Passengers.

Kentville.—The management of The Dominion Atlantic Railway Company announces that, effective midnight, Sunday, January 3rd, the following increased freight and passenger service will be put into effect:

Fast freight trains Nos. 99 and 100, formerly operating three days per week in each direction between Halifax and Yarmouth, will leave Halifax daily, except Saturday, carrying day coach passengers and baggage each trip, and making the same stops as at present with the addition that Hantsport will be a regular stop for No. 99 daily, except Sunday. The sleeper on these trains will be operated as at present, that is leaving Halifax Mondays, Thursdays and Saturdays, and Yarmouth on Tuesdays, Fridays and Sundays. The only exception to this service is that train No. 100 will not be operated out of Yarmouth Monday night, January 4th, but will run from Kentville Tuesday morning, January 5th.

A new suburban service will be operated between Annapolis Royal and Digby, daily, except Sunday, which will be performed by trains 19 and 20. No. 19 will leave Annapolis Royal at 8:00 a.m., arriving Digby at 9:00 a.m.; returning, train 20 will leave Digby at 4:30 p.m. and arrive at Annapolis Royal at 5:30 p.m.

The Yarmouth-Annapolis Royal way freight service, trains Nos. 9 and 10, will handle passengers and baggage, and will, in future, be operated on schedule. No. 10 leaves Yarmouth at 11:30 a.m. and is due at Annapolis Royal at 6:25 p.m. Mondays, Wednesdays and Fridays. No. 9 will leave Annapolis Royal at 7:00 a.m. and is due at Yarmouth at 2:00 p.m. Tuesdays, Thursdays and Saturdays.

The Annapolis Royal-Kentville way freight service will be daily, except Sunday, in both directions, until February 27th, after which date these trains will be operated tri-weekly, leaving Annapolis Royal on Tuesdays, Thursdays and Saturdays, and leaving Kentville on Mondays, Wednesdays and Fridays.

The Kentville-Halifax way freight service will operate on a tri-weekly basis effective with this change of time, leaving Kentville on Mondays, Wednesdays and Fridays, and leaving Halifax on the opposite days.

The Truro-Windsor way freight will be operated daily, except Sunday, until further notice.

An important innovation is that all way freight trains will handle both passengers and baggage.

The new service, in addition to affording greater facilities for prompt and frequent travel by commercial men and others who are obliged to make use of the railway at all times, will also enable the Company to guarantee both reasonable speed and dependable regularity in the handling of carload and less-than-carload traffic.

It is felt that the spirit of optimism and faith thus displayed by the Dominion Atlantic management, in its desire to improve its opportunities for real service, will be appreciated by its patrons, and result in real benefit to the Province generally.

AT THE POLICE COURT.

H. Whynot was up before Stipendiary R. R. Fay on Wednesday last on a charge of creating a disturbance on the street and was given an option of twenty days or a fine of \$30. A second charge of assault with intent to do bodily harm was also preferred and on this charge the prisoner was committed. All preparations had been made to convey him to Annapolis, as the fine was not forthcoming. He asked Chief Bishop to go into his father's residence to secure some tobacco. This was accorded, the officer accompanying him in. The back door happened to be ajar and Harry bounded out like an antelope and started north at a high rate of speed. During the night he returned to town and was located by the Chief and next day conveyed to Annapolis.

CARD OF THANKS.

Mr. and Mrs. Craig Todd and family wish to thank their many friends who so generously remembered them at Xmas.

UNITED BAPTIST CHURCH NOTES.

Christmas Sunday was very fittingly observed at both morning and evening services.

At the morning service, Miss Grace Smith sang very effectively the solo "The Birthday of the King." The anthem "Jesus rules the World" also, was of a very high order and well rendered. Mr. S. B. Hayden, brother of the pastor, and a member of the teaching staff of the school for the Blind, Halifax, presided at the organ and took full charge of the musical part of the service. The Christmas carols and voluntary were most beautifully rendered and everyone was delighted and most highly entertained and edified.

The sermon, by the pastor on "The Incarnation" was also a very fine and fitting Christmas message. At the evening service the choir with Mrs. Warren as organist rendered very acceptably the Cantata "The Light of Ages." The solo parts were taken by Mrs. Saunders, Mrs. Morse, Mrs. Williams, Miss Hayden, Mr. Hall and Mr. Hayden. This proved to be a very delightful and inspiring service. The music furnished by Mr. S. B. Hayden at the beginning of the service was also greatly enjoyed. The thanks of the church to the pastor and his family for their great pleasure they took forward to a visit from him again.

The Pastor wishes to express his sincere thanks for the generous money gift which was presented to him by the Brotherhood Class on Sunday morning.

Miss L. Beryl Hayden, leader of the C. G. I. T. was remembered at Christmas by her girls, being presented with an Ivory Photo Frame, also a watch wristlet (white Gold).

Did you hear the Christmas Carole sung by Miss Hayden and the two C. G. I. T. groups during the early hours of Christmas morn?

Be on the watch, and be sure to make plans to hear the Famous Play Actors on Jan 11th.
