

CONFEDERATION LIFE ASSOCIATION.

HEAD OFFICE, TORONTO STREET.

To 10, Nov. 10th, 1885.

FOURTEEN YEARS' RECORD.

THE CONFEDERATION LIFE ASSOCIATION commenced business on Nov. 1st, 1871, so that the first **Fourteen** years were completed on Oct. 31st, 1885. The success which has attended the Association has more than fulfilled the expectations entertained at the outset, and its position to-day as one of the leading financial institutions of Canada, is most gratifying to its friends.

The following record of what has been done for the **Policy-Holders** is interesting and instructive:—

Paid for Death claims, - - - - -	\$467,095 00
Paid to holders of Endowment Policies, - - - - -	25,848 00
Paid for Cash surrender values, - - - - -	77,118 00
Paid Cash profits to Policy-Holders , - - - - -	170,452 00
Loaned to Policy-Holders on their Policies, - - - - -	38,012 00
Paid to Holders of Annuity Bonds, - - - - -	11,426 00
Premiums returned, - - - - -	320 00
Total , - - - - -	\$790,271 00

In addition to the \$170,452 **Cash** profits already paid to the **Policy-Holders**, there will have accrued at the close of the present year (estimated) the further large sum of from \$190,000 to \$200,000; which will be still further increased at the end of the current quinquennium (31st Dec., 1886), to \$250,000, and probably more, or about **Twice** the amount of the **Policy-Holders'** share of surplus at the close of the **Second Quinquennium** (Dec. 31st, 1881).

Add to the above the fact that the Association holds **One and a Quarter Million Dollars** as a **Policy-Reserve Liability**, and some idea will be had of what one of **Our Own Institutions** has done for its **Policy-Holders**.

These magnificent results have been worked out in a **Home Company**, conducted by a **Board of Directors** drawn from Canada's business men. Surely there is no good reason for the insuring public of Canada continuing to **Impoverish their own Country**, by insuring in American Life Insurance Companies, and keeping up the constant drain upon our native capital.
