The annual meeting of the Epworth League was held recently, Mr. J. Gilbert being again elected president. We regret very much that just at this time he is removing from us, and going to reside at Spokane, Washington. He will be greatly missed, both in the choir and League. Our heartiest good wishes go with him.

The Band of Hope is doing good work. The children were all photographed the other day. Blue ribbon was very much in evidence.

The Twentieth Century Fund money comes in well. Another \$500 has been paid off the debt, making \$1,000 in all. An executive has been formed to arrange for a large exposition in May, 1901, when it is hoped the remaining \$1,500 on the building fund will be removed.

CENTENNIAL, VICTORIA.

Rev. W. H. Barraclough, B.A. Pastor.

The Centennial Methodist church was beautifully decorated with lilies yesterday, from platform to gallery, on the occasion of the grand Methodist rally which took place yesterday afternoon. The church was crowded to the doors and great enthusiasm was evinced in the services. The President of the Union, E. A. Lewis, presided, and special music was rendered by the children, accompanied by the orchestra of more than two dozen pieces, under the direction of T. H. Matthews. The proceedings commenced with prayer by Superintendent Noah Shakespeare, after which the programme, as published in these columns on Thursday evening, was presented. Owing to the absence of Rev. Mr. Hughes the address that was to have been delivered by him was given by Rev. Mr. Barraclough, and was very much enjoyed. Addresses were also delivered by Rev. Mr. Speer and Mr. Okell and were of a most interesting nature. Special need of praise should be given the orchestra, which, under the efficient direction of T. H. Matthews, rendered excellent music. This evening a free literary entertainment will be held in the school room under the auspices of the Young People's Society. Refreshments will be served and everybody will be given a good time.—Victoria Times.
