

World's Best Butter

De Laval Separator Triumph At National Dairy Show

The great DAIRY SHOW and NATIONAL BUTTERMAKERS' CONVENTION held at CHICAGO, February 15th to 24th, awarded ALL HIGHEST BUTTER PRIZES to entries made from DE LAVAL SEPARATOR CREAM, the prizes and the scores being as follows :

GRAND PRIZE--GOLD MEDAL

A. CARLSON, Rush City, Minn.....Score 97

SILVER MEDAL

J. E. HOWE, Oakland, Minn.....Score 96½

SILVER CUPS

E. J. SIMONSON, Milton, Wis.....Score 96

W. H. BECHTEL, Caro, Mich.....Score 96

LOUIS NELSON, Camp Point, Ill.....Score 96

F. L. ODELL, Greenfield, Iowa.....Score 95½

Out of the total 610 butter entries 559 were DE LAVAL users, the other 51 representing the users of all other Separators combined, while of the 496 entries scoring 90 and over, 463 were DE LAVAL made, the other 33 covering all competitive users together.

All this is in keeping with what has happened at every previous Convention Contest of the National Buttermakers' Association since its organization in 1892, all highest awards having been made, without exception, to DE LAVAL users.

While in evidence of the recognition of DE LAVAL superiority by the best buttermakers everywhere, it is important to note that the proportion of DE LAVAL made entries has never been less than 85 per cent, and at the present Great Show was over 91 per cent of the total number.

A DE LAVAL catalogue, gladly sent for the asking, will help to make plain WHY under like conditions DE LAVAL cream produces butter superior to that which can be made in any other way. Write for it to-day.
