FOREIGN MISSIONS.

Their place in the Pastorate, in Prayer, and in Conference. By A. C. Thompson, D.D.

12-MO. \$1.75.

The success of Dr. Thompson's "Moravian Missions," and other works, shows an equally wide popularity for this volume, the broad scope of which is indicated in the title. The volume is addressed to clergymen, and has to do with their relation to foreign missions. But it has a deep interest for laymen as well, for the subject involves the relation of the congregation to the question of foreign missions. The author's style is easy and fluent, rich in anecdote and allusion.
