**Canadian Savage Folk.**  
The Native Tribes of Canada.  
BY  
John Maclean, M.A., Ph.D.  
Author of "The Indians of Canada," "James Evans, Inventor of the Cree Syllabic System," etc.  
Cloth, Illustrated, \$2.50.

CONTENTS: Some Queer Folk—In the Ledges—Church and Camp—Native Heroes—Native Religions—Races and Languages—On the Trail.  
REV. DR. WITHROW writes in *Onward*: "This is, we believe, the largest and most important book on the native races of Canada that has yet been published. It is the result of the careful and thorough study of many years. During his missionary life among the Indian tribes and by subsequent investigation, Dr. Maclean has familiarized himself with the languages, traditions, religions, manners and customs of the Canadian aborigines. His previous volume on the Indians of Canada is a demonstration of his qualifications for treating the records of our native races. This book will be a permanent authority on this subject."

WILLIAM BRIGGS, Publisher,  
23-23 Richmond St. W., TORONTO.
