TASTELESS MEDICINES.

A prominent New York physician lately com-
plained to DUNDAS DICK & CO. about their
SANDALWOOD OIL CAPSULES, stating that some-
times they cured miraculously, but that a patient
of his had taken them without effect. On being
informed that several imitations were sold, he
inquired and found his patient had not been tak-
ing DUNDAS DICK & CO'S.

What happened to this physician may have
happened to others, and DUNDAS DICK & CO
take this method of protecting physicians, drugg-
ists and themselves, and preventing OIL OF SAN-
DALWOOD from coming into disrepute.

PHYSICIANS who once prescribe the Capsules
will continue to do so, for they contain the pure
Oil in the best and cheapest form.

DUNDAS DICK & CO. use more Oil of Sandal-
wood than all the Wholesale and Retail Druggists
and Perfumers in the United States combined,
and this is the sole reason why the pure Oil is
sold cheaper in their Capsules than in any other
form.

OIL OF SANDALWOOD is fast superseding
every other remedy, sixty Capsules only being
required to insure a safe and certain cure in six
or eight days. From no other medicine can this
result be had.

DUNDAS DICK & CO'S. SOFT CAPSULES
solve the problem, long considered by eminent
physicians, of how to avoid the nausea and dis-
tasteful experience in swallowing, which are well
known to detract from, if not destroy, the good
effects of many valuable remedies.

Soft Capsules are put up in tin-foil and neat
boxes, of 10, 25, 50, and are the only capsules
prescribed by Physicians.

TASTELESS MEDICINES.—Castor Oil and
many other nauseous medicines can be taken
easily and safely in Dundas Dick & Co's Soft Cap-
sules. No Taste. No Smell.

These were the only Capsules admitted to
the last Paris Exposition.

Send for Circular to 35 Wooster street, N. Y.

Price, Twenty-five Cents.

NEWSPAPER ADVERTISING.

NINETY EIGHTH EDITION.

Containing a complete list of all the towns in
the United States, the Territories and the Domin-
ion of Canada, having a population greater than
5,000 according to the last census, together with
the names of the newspapers having the largest
local circulation in each of the places named.
Also, a catalogue of newspapers which are recom-
mended to advertisers as giving greatest value in
proportion to prices charged. Also, all news-
papers in the United States and Canada printing
over 5,000 copies each issue. Also, all the Relig-
ious, Agricultural, Scientific and Mechanical, Med-
ical, Masonic, Juvenile, Educational, Commer-
cial, Insurance, Real Estate, Law, Sporting, Mus-
ical, Fashion, and other special class journals;
very complete lists. Together with a complete
list of over 500 German papers printed in the
United States. Also, an essay upon advertising;
many tables of rates, showing the cost of adver-
tising in various newspapers, and everything
which a beginner in advertising would like to
know.

THE WEEKLY SUN.

1776. New York. 1876.

Eighteen hundred and seventy-six is the Cen-
tennial year. It is also the year in which an
Opposition House of Representatives, the first
since the war, will be in power at Washington;
and the year of the twenty-third election of a
President of the United States. All of these
events are sure to be of great interest and im-
portance, especially the two latter; and all of
them and everything connected with them will
be fully and freshly reported and expounded in
THE SUN.

The Opposition House of Representatives, tak-
ing up the line of inquiry opened years ago by
THE SUN, will sternly and diligently investigate
the corruptions and misdeeds of GRANT'S admin-
istration; and will, it is to be hoped, lay the
foundation for a new and better period in our
national history. Of all this THE SUN will con-
tain complete and accurate accounts, furnishing
its readers with early and trustworthy informa-
tion upon these absorbing topics.

The twenty-third Presidential election, with
the preparations for it, will be memorable as de-
ciding upon GRANT'S aspirations for a third term
of power and plunder, and still more as deciding
who shall be the candidate of the party of Re-
form, and as electing that candidate. Concern-
ing all these subjects, those who read THE SUN
will have the constant means of being thoroughly
well informed.

THE WEEKLY SUN, which has attained a circula-
tion of over eighty thousand copies, already
has its readers in every State and Territory, and
we trust that the year 1876 will see their numbers
doubled. It will continue to be a thorough news-
paper. All the general news of the day will be
found in it, condensed when unimportant, at full
length when of moment; and always, we trust,
treated in a clear, interesting and instructive
manner.

It is our aim to make the WEEKLY SUN the
best family newspaper in the world, and we shall
continue to give in its columns a large amount
of miscellaneous reading, such as stories, tales,
poems, scientific intelligence and agricultural
information, for which we are not able to make
room in our daily edition. The agricultural de-
partment especially is one of its prominent fea-
tures. The fashions are also regularly reported
in its columns; and so are the markets of every
kind.

THE WEEKLY SUN, eight pages with fifty-six
broad columns is only \$1.20 a year postage pre-
paid. As this price barely repays the cost of the
paper, no discount can be made from this rate to
clubs, agents, Postmasters, or anyone.

THE DAILY SUN, a large four page newspaper
of twenty eight columns, gives all the news for
two cents a copy. Subscriptions, postage prepaid,
55c. a month or \$6.50 a year. SUNDAY edition
extra, \$1.10 per year. We have no travelling
agents.

Address,
THE SUN, New York City.
