Messrs the Ogilvie Milling Co., Winnipeg, Man.

Dear Sirs—We have pleasure in stating that the quality of the flour made in the Winnipeg mills, of which we have imported considerable on this crop, has given the highest satisfaction to everyone who has baked it. Glasgow is pre-eminently a city of large baking establishments, some of them with a capacity of 2000 barrels per week, and all managed by gentlemen well qualified to give a sound verdict on the merits of any flour. With remarkable unanimity they have expressed the opinion that nothing finer than your Patent grade has ever been placed on the market. The baking results have been exceptionally high, both in regard to color and out-turn, and we can invariably command a higher price. We are, yours respectfully,

WILLIAM MORRISON & SON.
