

TO SUBSCRIBERS.

We have to apologize to the subscribers of the GOOD NEWS for the delay in this month's issue. As many of them are aware, we removed about the beginning of the month from Prescott, C. W., to the City of Montreal, and through the press of business incident to that, and the establishment of a new weekly paper, it has been delayed.

The engraver who has been preparing a design for a cover, through illness, was unable to complete it in time for the present number. We expect to have it in use on the February number.

The Index of Contents for 1865 will be sent to subscribers as soon as we can get it ready.

Our accounts for 1866 will be sent with next number.

The GOOD NEWS for February will not likely be up to time, but we hope to have the March number on time.
