DIOCESAN SEMINARY FOR YOUNG LADIES.

PATRON. The Most Reverend the Metropolitan.

VISITOR. The Right Rev. the Lord Bishop of Nova Scotia.

PRINCIPAL. The Rev. John Padfield.

The next Term commences April 21. The course of instruction is the same as that of the best Schools in England, and is founded upon the University Examinations for Women. Pupils are prepared to pass the Local Examinations of King's College, Windsor. Within the last two years, thirteen pupils have passed these Examinations, three of them gaining the title of "Associate of Arts."

A few students can be received, who, having finished their general education, wish to devote themselves to Music, Languages, or Art. Arrangements are made whereby they can give the whole of their time to these special subjects.

There is a Preparatory Department for Young Pupils. The Musical Department is under the care of a lady from the Royal Academy of Music, London. The French Government is a native of Paris and has the Diploma of the French Academy. The Head English Governess, besides having passed the University of Cambridge Examinations for Women, has also a certificate from the South Kensington School of Art.

A large reduction is made for the daughters of clergymen, and where two or more are sent at the same time from one family.

\* For Terms, &c., apply to the Principal.

DEALER IN PRINTERS' REQUISITES, NEW AND SECOND-HAND PRESSES, PRINTING AND WRAPPING PAPER &C.

NITRO-GLYCERINE DYNAMITE, —AND— GUN POWDER.

The Acadia Powder Co. ARE now prepared to furnish DYNAMITE manufactured at their works at Waverly, of a quality which they will guarantee equal to the best imported, and superior to many of the high explosive in the market.

Their No. 1 RED DYNAMITE is made with especial view to obtain a uniform and powerful explosive.

Particular attention is also requested by miners to the BLACK DYNAMITE, also manufactured by this company, as developing great explosive force and in a majority of cases proving as fully efficient as the No. 1. This is not a DEALIN, VULCANITE or GIANT POWDER, but

A VERITABLE DYNAMITE, and is much more powerful than either of those named. Both kinds are put up in strong but VERY THIN paper, insuring to the consumer 10 OUNCES of explosive for every pound.

The Company are now prepared to furnish the above article with Detonators and all the appliances for using this explosive.

\* Instructions accompany every case. They will also supply Best Safety Blasting Powder.

\* Sporting Powder of every grade. ALSO—REFINED SATPETRE.

C. J. WYLDE, Sec'y. 70 BEDFORD ROW.

TO ADVERTISERS. GEO. P. ROWELL & CO'S SELECT LIST OF LOCAL NEWSPAPERS.

An advertiser who spends upwards of \$5,000 a year, and who invests less than \$300 of it in this List, writes: "Your Select Local List paid me better last year THAN ALL THE OTHER ADVERTISERS' LIST."

IT IS NOT A CO-OPERATIVE LIST, IT IS NOT A CHEAP LIST, IT IS AN HONEST LIST.

The catalogue states exactly what the papers are. When the name of a paper is printed in FULL PAGE TYPE it is in every instance the B. ST. Wh. n printed in CAPITALS it is the ONLY paper in the place. The list gives a population of every town and the circulation of every paper.

The rates charged for advertising are purely one-fifth the publishers' schedule. The price for single States ranges from \$5 to \$80. The price for one inch one month in the entire list is \$25. The regular rates of the paper for the same space and time are \$2,980.14. The list includes 222 newspapers of which 187 are issued DAILY and 35 WEEKLY. They are located in 789 different cities and towns, of which 26 are State Capitals, 263 places of over 5,000 population, and 408 Country Seats. For copy of List and other information address

GEO. P. ROWELL & CO., 10 Spruce St., New York.
