FISHER & TAYLOR

Be to notify their friends in Toronto that they have procured the advertising space in GRIP; and from their long experience with the Daily Press of this City, they hope by strict attention to make the paper one of the best advertising mediums in the City.

The circulation of the paper is rapidly increasing.

From the class of advertisements they intend inserting, Merchants and Business Men in general cannot fail to see the necessity of advertising in it.

All advertisements should be handed in not later than Thursday evening, to ensure insertion in that week's paper.

TERMS:

Transient advertisements, 5c. per line Nonpareil, each insertion.

Liberal discount will be made with parties making contracts.

Prepared for Business at

DAY'S COMMERCIAL COLLEGE

No. 52 KING STREET EAST, TORONTO.

THE COURSE OF INSTRUCTION comprises the Science of Accounts and Business Practice, Commercial Law, Commercial Computations, English Grammar, and Commercial Correspondence, and other branches incident to a Business Education. This Institution is UN-EQUALLED for the THOROUGHNESS of its COURSE and the EFFICIENCY of its GRADUATES. Many young men instructed by Mr. DAY are occupying responsible positions, and by the satisfactory manner in which they discharge their office duties reflect great credit on the Institution in which they received their business training.

For terms and circular, containing letters of commendation from leading business men of the country, address, post paid, **JAMES E. DAY,** Accountant, Toronto.

**BRITISH AMERICAN
COMMERCIAL COLLEGE.**

FIRST PRIZES in both BUSINESS and ORNAMENTAL PENMANSHIP were awarded to me at the late Provincial Exhibition, Toronto. This is the TENTH YEAR IN SUCCESSION that we have obtained first prizes in Penmanship.

OUR COMMERCIAL COURSE

Of instruction is in keeping with our Penmanship Department—the very best to be obtained in the Dominion. It embraces Book-keeping in all its branches, Exercises and Lectures in Commercial Law, Business Arithmetic, Spencerian Penmanship, Actual Business, Adjusting Partnership, Business Correspondence, Banking, Commission, Foreign Exchange, Steamboating, and the General Details of Business.

OUR EVENING SESSIONS

Continue through the winter. An excellent opportunity is here offered to attend special classes in our Business and Geographic Courses. Young men who are engaged during the day should embrace this opportunity, as it will yield ere long a thousand per cent. upon the outlay.

For terms and Specimens of Penmanship, address **ODELL & TROUT,** Toronto.
