Is IT A HUMBUG? Some people think all proprietary Medicines humbugs. In this they must be mistaken. A cough medicine like Bev. N. H. Downs' Elizir that has stood the racket of 53 years must have some virtue, 8.750 and must cure the diseases for which it is recommended, or people would not continue to buy and use it, as they do. It seems to us that even if we knew nothing of its merits, ing sale justifies us in recommending Downs' Orleans. FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR.

It is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gioss and freshness of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brashy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The Vigon cleanses the scalp, cures and prevents the formation of dandruff; and, by its cooling, ctimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, ander which conditions diseases of the scalp and hair are impossible.

### As a Dressing for Ladies' Hair

The Victor is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence.
