

A FRIGHTFUL ACCIDENT!—A man was hurt. His injuries were great and his suffering intense, but a bottle of Henry's Vermont Liniment, which happened to be at hand saved him. That man will never be without it again, if possible to procure it, to have ready in case of similar accident. No one knows what a day may bring forth. We may be well to-day and sick to-morrow. Be provided beforehand. Henry's Vermont Liniment is a great Pain Killer. Price 25 cents.

It is easy to get certificates for Patent Medicines, say people. Granted; but it is easy to get certificates from persons of undoubted respectability, and who are known to the community? Clearly not, unless the medicine is what it professes to be, which is so rarely the case, that certificates are generally from persons unknown to fame. But in the case of Hoodland's German Bitters, the most respectable classes of society freely testify to their superlative merits. Members of Congress, Judges, Clergymen, Merchants, unhesitatingly acknowledge its curative properties. Read the following from the Hon. Thos. B. Florence, well known as an active and able Member of Congress:

Washington, Jan. 1st, 1864.

Gentlemen,—Having stated it verbally to you, I have no hesitation, in writing the fact, that I experienced marked benefit from your Dr. Hoodland's German Bitters. During a long and tedious session of Congress, pressing and onerous duties nearly prostrated me. A kind friend suggested the use of the preparation I have named. I took his advice, and the result was improvement of health, renewed energy, and that particular relief I so much needed and obtained. Others may be similarly advantaged if they desire to be.

Truly your friend,
THOMAS B. FLORENCE.

THE MOST IMPORTANT ANNOUNCEMENT
SINCE THE
SURRENDER OF GENERAL LEE,
Is that of M'GARVEY'S determination to REDUCE
the Price of his entire STOCK
FIFTEEN PER CENT.

The Subscriber, in returning thanks to his Friends and Customers for the liberal patronage extended to him during the last 15 years, wishes to inform them of the extension of his SHOW ROOMS and STOCK during the past winter, in order to supply the increasing demands of his business, and especially since his removal to the new buildings, notwithstanding the reports that some of his rivals in trade have endeavored to circulate of his having been sold out and left the place. These statements have been made to many of my customers with the hope that they would take no further trouble in finding out my new place of business. These and similar contemptible statements, which I consider too low to take further notice of, have induced me to make a few remarks. First, I would say that I am not sold out, neither have I left the city, but can be found any time during business hours at my new warehouses, Nos. 7, 9, and 11 ST. JOSEPH STREET, second door from M'GILL STREET. I call on my party in Canada or the United States, from whom I have purchased goods since my commencement in business, to say if I owe them one dollar after due or ever had an extension or renewal during that time.—If those parties would only devote their time and attention to business as I have done, they would not have to resort to such contemptible means of getting trade. Seeing the desire that exists with a portion of the trade to run me off the track, I am now aroused to a new emergency, and determined to reduce the prices of my goods at least FIFTEEN PER CENT., which the advantage of the largest and best adapted premises, together with getting up my stock entirely for cash during the past dull winter, will justify me in doing, having given up importing Chairs and Furniture from the States for the last two years, and engaged largely in the manufacture of Cane and Wood Seat Chairs and Furniture of every description, and made the Chair business a very important branch of my trade, having now on hand over 11,000 Cane and Wood Seat Chairs, of 32 different patterns, many of which are entirely new styles. My prices will be reduced on and after Monday, the 17th instant, as follows:—Wood Seat Chairs formerly 35 cents, will be sold at 30 cents, and every other kind of Wood Seat Chairs will be reduced from 5 to 10 cents, large Rockers, with arms, \$1.15, formerly \$1.30, and every style of Cane Seat Chair will be reduced from 10 to 25 cents. The usual line of discount will be allowed to the trade and all wholesale customers. To enumerate my stock would be useless, but I will give an outline of my new buildings and a few leading articles of stock. My present SHOW ROOMS were built by myself in 1863, with every facility for carrying on the most extensive wholesale and retail furniture business in Montreal, and is 60 feet front by 97 feet deep. The first floor is used for book and Library Cases, from \$25 to \$100; Wardrobes, \$20 to \$50; Dining Tables \$10 to \$50; Bureaus, \$10 to 30; and various kinds of heavy and bulky goods. The second floor for the display of fine Parlor, Dining and Chamber Suites, from \$50 to \$350; Fancy Chairs, Walnut, and such other light goods. Also, Solid Mahogany, Walnut, Oak, Ash and Chestnut, with Walnut carving, and marble and wood tops. Painted and Grained Suites, in all the different imitations of wood and ornamental colours, with wood and marble tops, varying in price from \$15 to \$75; Hair Mattresses, from 20 to 50 cents per lb; Glass and Porcelain Furniture, from 25 to 75 cents do; Moss, Husk, Sea Grass and other common Mattresses, from \$2.50 to \$8 each 30 hour and eight day Clocks, from \$2 to \$15 each; Gilt Rosewood, Mahogany and Walnut Toilet Chests, from \$1 to \$25 each, with every article in the Furniture line at equally low prices. A large supply of solid Mahogany and Veneers of all sizes and other Cabinet Lumber kept constantly on hand; with Curled Hair, Webbing Springs, Glue, and every article in the trade, which will be sold at the lowest prices for cash, or in exchange for first-class furniture in order to avoid the necessity of having to sell surplus stock at auction. I have always adopted the motto of quick sales and light profits, which has secured for me a steady trade at the duldest season of the year. To those in want of furniture I would say don't take my word, but call and examine the stock and prices before purchasing elsewhere.

If not for my late removal, and the statements above alluded to, I would consider the present notice entirely unnecessary.

Terms—Under \$100, strictly cash; \$100 to \$400, three months; \$400 to \$1000, four to six months; by furnishing satisfactory paper.

MURRAY & LANMAN'S FLORIDA WATER.—The day has passed when ingenious advertising could force an inferior article into popularity. The course and pungent scents manufactured from cheap oils are now universally rejected, despite of printed endorsements, while this superior perfume and cosmetic, prepared by a respectable house from genuine tropical flowers, and esteemed in South America and Mexico above all other fragrant waters, is winning 'golden opinions from all sorts of people' throughout the fashionable world. No lady who has moistened her handkerchief with this delightful floral essence, or used it, when diluted, as a cosmetic, will hesitate to agree with the Senoras and Senoritas of Spanish America, who have used it for twenty years, to the exclusion of all other perfumes. See that the names of Murray & Lanman are upon every wrapper, label, and bottle; without this none is genuine.

A CITIZEN OF QUEBEC CURED OF FIFTEEN RUNNING SORES.

The following letter was received by one of the most respectable Druggists in Quebec, Canada:—

W. E. Brunet, Esq., Druggist, Pont St. Roch (or Craig) Street, Quebec.

Dear Sir,—This is to certify that I have been thoroughly and entirely cured of Fifteen Sores which I had on my right arm, by the use of BRISTOL'S SARSAPARILLA. These sores had been on my arm for over four years, and during that time had been continually discharging, which weakened me so much that I was unable to leave my bed for four months. Having heard of BRISTOL'S SARSAPARILLA, I made up my mind to try it. I used six bottles, and with the best results; for I am now as strong and as able a workman as I was before having the sores.

SICKNESS THAT HAS NO NAME.—Thousands suffer who have no specific disease. They are apathetic and listless, eat without relief, sleep without being refreshed, and are miserable without any tangible cause. A sluggish digestion, a semi torpid liver, inactive bowels are responsible for these indescribable, but not the less real and annoying ailments. To restore the inert organs to healthful activity, they have only to resort to BRISTOL'S SUGAR-COATED PILLS. Dr. Benjamin Wallis, of Boston, Mass., gives it as his opinion, that 'there is nothing comparable to them, in cases where there is a lack of vital energy in the stomach and its dependencies, and general weakness and depression are apparent, without any distinctly-marked form of disease.' All who suffer from physical prostration, accompanied by low spirits, will find BRISTOL'S SUGAR-COATED PILLS of immense benefit. They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills.

HOW VERY ASTONISHING.—That so many people annually die with consumption. Do you know that slight cold is often the foundation of this insidious disease, and that a single bottle of Down's Elixir will cure a dozen slight colds. Delay is death! Procrastination is more than a thief, it is a murderer. The worst cases may be cured by the timely use of the Elixir. Keep a bottle on hand for family use.

AYER'S PILLS.

ARE you sick, feeble and complaining? Are you out of order with your system deranged and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms and Suppression, when taken in large doses.

They are Sugar Coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.

AYER'S AGUE CURE,
For the speedy and certain Cure of Intermittent Fever, or Chills and Fever, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache or Bilious Headache, and Bilious Fevers; indeed, for the whole class of diseases originating in biliary derangement, caused by the malarial miasmatic countries.

This remedy has rarely failed to cure the severest cases of Chills and Fever, and it has this great advantage over other Ague medicines, that it subdues the complaint without injury to the patient. It contains no quinine or any deleterious substance, nor does it produce quinine or any injurious effect whatever. Shaking brothers of the army and the west, try it and you will endorse these assertions.

"THE LAMP,"
New and Improved Series, in Weekly Numbers, price 1d. In Monthly parts, price 6d. The Lamp in 1865.

It is little more than two years ago since the New Series of the Lamp commenced. The great increase in its circulation has been the most convincing proof that satisfaction has been given by the improvements effected in the periodical. It has been the happiness of the Conductor of this Magazine to receive the benediction of the Holy Father on the undertaking. A distinguished Prelate wrote from Rome as follows to the Proprietor of the Lamp: 'I have presented the Lamp to the Holy Father. He was much pleased, and directed me to send you his blessing, that you and all your works may prosper.' We have also had the assurance of the satisfaction of His Eminence the late Cardinal Wiseman, in whose archdiocese the Lamp is published, and whose kind assistance to the undertaking has been evinced several times by the contributions from his parish which are to be found in our columns. We are authorized to say that 'His Eminence has been much pleased with the progress of the Lamp, and the position it has taken.'

Encouraged, therefore, by the blessing of the Vicar of Christ, which is never unfruitful, and the approval of His Eminence, the Conductor of the Lamp looks confidently for increased support from the Catholic public. Much has been done to improve the Lamp; much remains to be done; and it rests chiefly with Catholics themselves to effect the improvement. Our adversaries, and even we ourselves, often point to the well-got up Protestant publications, and ask why Catholics cannot have something as good in point of material, ability, illustrations, &c. Nothing is more easy. If every Catholic who feels this, and who desires to see a Catholic Magazine equal to a Protestant one, will take in the former for a year, there is at least a good chance of his wishes being realized. If every priest would speak of the undertaking in his parish once a year, and encourage his people to buy the Lamp instead of the various cheap publications too rapidly making their way among our youth, and our poor—publications which can hardly be called Protestant, because they have no religion, and often openly teach immorality—the success of the Catholic Magazine would be assured. It is its immense circulation, and the support they obtain from their respective political or religious parties, which enables these journals to hold their ground; and unless Catholics will give their hearty and cordial support to their own periodicals in a similar manner, it is impossible for them to attain superiority.

The LAMP has now the largest Circulation of any Catholic Periodical in the English language. It contains this week a New Story of great interest, and other articles of sterling merit, with illustrations by the first Artists of the day.

Price 1d., in Monthly parts, 6d.

The New York Tribune says, 'the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced.' &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size. At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

"... I owe much to you, for I verily believe the Plantation Bitters have saved my life."

REV. W. H. WAGONER, Madrid, N. Y.

"... Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use."
Thy friend, ASA CURRIN, Philadelphia, Pa.

"... I have been a great sufferer from Dyspepsia and had to abandon preaching. . . . The Plantation Bitters have cured me."
REV. J. S. CATHORN, Rochester, N. Y.

"... I have been a great sufferer from Dyspepsia and had to abandon preaching. . . . The Plantation Bitters have cured me."
REV. J. S. CATHORN, Rochester, N. Y.

"... I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect."
G. W. D. ANDREWS,
Superintendent Soldiers' Home, Cincinnati, O.

"... The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business."
H. B. KINGSLEY, Cleveland, O.

"... The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm."
C. C. MOORE, 254 Broadway.

New Bedford, Mass., Nov. 24, 1863.

Dear Sir:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine glassful after dinner. Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.—Respectfully,
JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq. of 159 West 14th Street, N.Y., says, 'he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself, and both are hearty, saucy and well. The article is invaluable to mothers.' &c.

Such evidence might be continued for a volume. The best evidence is to try them. They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an impostor. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.
