W. J. JEFFERY,

Rifle and Rifle Requisites Manufacturer,
60 QUEEN VICTORIA ST., LONDON, E.C.

THE 'PERFECT' SIGHT ELEVATOR AND WIND GAUGE,
Hanging Pattern, made of a special quality Hard German Silver, divided in 150ths of an inch, with complete Tables of Elevation and Wind Allowance, for the Martini Rifle,

\$2.15. Postage, 25c. for 1 to 6.

N.B.—These Verniers do not alter the position of the Sliding Bar, nor is it necessary to lower the Slide when detaching the Vernier from the Back Sight.

Jeffery's Patent Sight Elevators are being used by the majority of the most well known rifle shots.

Mr. M'VITTIE, who uses one of these Elevators, says: "Your German Silver Elevators are a great improvement on the Gun Metal, as they do not discolour, and the Scales are therefore more easily read. They are made on the right principle—viz., Hanging Pattern, and with the 150th Scales. All who make any pretensions to Shooting should possess one of these Verniers."

Mr. C. H. JACKSON, winner of the Queen's Prize, 1886, says: "I unhesitatingly pronounce your Sight Elevator and Wind Gauge the best I have hitherto seen. Absence of play in the screw, and firm attachment to bar when drawing the line are noteworthy features. I predict that the Perfect Vernier will command a ready sale."

A Volunteer's Shooting "Kit" should comprise one of each of the following Articles, in addition to the Rifle:

DECISIONS REGARDING NEWSPAPERS

1. Any person who takes a paper regularly from the post-office, whether directed in his name or another's, or whether he has subscribed or not, is responsible for payment.

2. If a person orders his paper discontinued, he must pay all arrears, or the publisher may continue to send it until payment is made, and then collect the whole amount, whether the paper is taken from the office or not.

3. In suits for subscriptions, the suit may be instituted in the place where the paper is published, although the subscriber may reside hundreds of miles away.

4. The Courts have decided that refusing to take newspapers or periodicals from the post-office, or removing and leaving them uncalled for, while unpaid, is prima facie evidence of intentional fraud.
