THE ONLY ONE—

There is one, and only one publication devoted to Credit Men and their peculiar interests. It was launched in 1892 and has never varied its original purpose—that of serving the credit men of the country. It is not a publication of diversified and scattered interests with a "Credit Man's Department," it is **THE CREDIT MAN'S MAGAZINE** first, last and all the time. If you are a credit man it's likely you are already a subscriber (most of the credit men are). If, however, you are not on the list, send for free sample copies and terms. (Mention *Monetary Times*.)

THE LAWYER & CREDIT MAN
150 Nassau St., New York City.

Accountics: The Office Magazine

EACH issue of *The Office Magazine* contains information worth more to the office man than many times the subscription price per year. Practical business subjects are discussed by progressive business men in all parts of the country, so that there is presented to the reader each month a consensus of the ideas, methods and opinions prevailing in the best modern business establishments. The examination of a sample copy will demonstrate its value to you. Monthly, \$1 a year; sample copy free.

The Johnston Concentrator

Patented in Canada. Having arranged with the Risdon Iron Works, of San Francisco, to build their Patented Concentrator, we shall be pleased to correspond with mining companies and others requiring these machines. **WATEROUS, Branford, Canada.**

To Suit the Space.

The Safford Radiators for Hot Water and Steam are made in various shapes, to fit corners, curves, angles and around columns—this latter is shown in the drawing. And they are of varying heights, as needed.

Plain or ornamental, as one's taste dictates—but perfectly finished both inside and out—always.

Please remember one thing—they can't possibly leak. The reason is—no bolts, rods or packing. Screw-nipple connections in every one.
