

Are you surprised that we announce our Brick to be the Highest Price Brick on the Canadian Market? It is true—and it is also true that notwithstanding the Higher Price, "Don Valley" is the Best Value on the market, which fact is appreciated by well informed architects by specifying "Don Valley Products" in their highest class structures. Mr. Arthur

The Don Valley Brick Works,

36 Toronto St.,

Toronto.

Dear Sirs,—

Kindly send me prices on your Pressed Brick and Porous Terra Cotta Fireproofing.

I might just here state that I have specified your products in my work for seventeen years, and the satisfactory results urge me to make some acknowledgment to you of my appreciation of the high character of your materials.

Among the recent buildings I have erected, in which your brick and terra cotta fireproofing have been used, are— St. Helen's Church, Toronto, St. Patrick's Church, McCaul St., Toronto, St. Gregory's Church, Oshawa, St. Mary's Church, Richmond Hill, and many others throughout the diocese, also Children's Orphanage and St. Paul's Presbytery, the residence of Father Hand, which is proclaimed the finest structure of its kind in the Dominion. Your Buff Pressed Brick was used in this building.

I have no hesitation in saying that your brick, in my opinion, is the best value obtainable.

I am,

Yours truly,

Arthur W. Holmes
Arch
