S. KERR & SON,

Odd Fellow's Hall.

WANTED — Teachers in Nova Scotia, preparing candidates for the Provincial examinations in science next July, to read my articles that have appeared during the last half-dozen years in the EDUCATIONAL REVIEW, or that may appear in future. The articles are suggested by experience gained in reading the answers of candidates, and I have endeavoured to help teachers and students in their work. Though there is, I believe, some improvement, I feel sure that better work could be done in the schools and better results obtained at examinations if more attention were paid to the hints I have given. JOHN WADDELL.
