8. Notes that the Economic and Social Council, in response to the desire expressed by the General Assembly in resolution 621 (VII) of 21 December 1952, has expressed the view that, for the orderly development of programmes, it would be useful to have assured financial support for a period longer than a year, and invites those participating countries which may be in a position to do so to take steps within their constitutional limitations, to ensure the financial support of the Expanded Programme on a long-term basis.
