

INTRODUCTION

TABLE OF CONTENTS

This is the fourth report of Trade and Industrial Development Program results. It covers the period of July through September 1986 and contains information drawn from the TID Program Tracking System. The report is based on the returns that were available up to November 17, 1986, from a total of eighty-six missions in all five major regions abroad.

This report encompasses the addition of Osaka as well as the recent reorganization of some geographic bureaux.

There are two main sections to this report:
