
 CANADA -- SCHEDULE II

8514.90.91	Parts for furnaces and ovens for semi-conductors
8514.90.92	Parts for furnaces and ovens for semi-conductors
8515.90.90	Railway hi-ignitors
8516.29.19	Cab heaters for diesel electric locomotives
8516.40.00	Irons for domestic use
8516.71.10	Automatic drip coffee makers
	Stainless steel coffee percolators
8516.90.30	Parts of automatic drip coffee makers or stainless steel coffee percolators of tariff item No. 8516.71.00
	Parts of domestic irons of tariff item No. 8416.40.00
	Parts of goods of tariff item No. 8516.32.00
8516.90.90	Parts of cab heaters for diesel electric locomotives of 8516.29.19
8517.30.20	Multiplexers
8522.90.90	Parts of goods of tariff item No. 8521.10.00
8535.90.90	Pantographs
8536.49.00	Shunt contactors for direct current controls
8536.90.90	Connector adapter for goods of tariff item No. 9030.39.10
	Contactors and terminals for automatic motor protectors
8537.10.91	Electronic control panels for use with rail equipment
	Programmable controllers for drive systems for industrial or marine applications
8537.10.99	Electronic control panels for use with rail equipment
	High voltage cabinets for use in the manufacture of diesel electric locomotives
	Programmable controllers for drive systems for industrial or marine applications
8538.90.90	Parts of electronic control panels of tariff item No. 8537.10.91 or 8537.10.99 for use with rail equipment
	Parts of programmable controllers of tariff item No. 8537.10.91 or 8537.10.99 for drive systems for industrial or marine applications
