

(b) Participation, on a voluntary basis, in activities implemented jointly; (4.1(b))

(c) Develop and implement indicators relevant to mitigation of and adaptation to climate change in the context of sustainable development with particular reference to paragraph 4 of decision 4/5 adopted by the United Nations Commission on Sustainable Development at its fourth session, in 1996. (4.1(f))

9. Participation in work of international organizations (4.1(g), (h) and (i))

(a) Parties, to the extent possible, to support and/or participate in the work of:

(i) International bodies, such as the World Meteorological Organization (WMO), the United Nations Environment Programme (UNEP), IMO and ICAO, in examining, elaborating, assessing, developing and implementing strategies for mitigation and adaptation to climate change; and

(ii) International programmes related to climate change, such as the World Climate Programme and the forthcoming Climate Agenda proposal, as well as the START initiative of the International Geosphere-Biosphere Programme (IGBP) and the scientific and educational programmes of WMO and UNEP as they are developed.

(Note: Measures listed in paragraphs 7-9 should be further developed and implemented by all Parties, based on the principle of differentiated responsibilities and capabilities of Parties. (References to relevant Convention Articles are given in parentheses.))³

10. Recognizing the progress that has been made to date in implementing commitments under Article 4.1 of the Convention:

11. The Parties reaffirm their commitments under Article 4.1 of the Convention and the need to continue to advance the implementation of such commitments.

12. Each Party shall strengthen its legal and institutional framework to advance the implementation of its commitments under Article 4.1 of the Convention.

13. Each Party shall take measures to facilitate investment in climate-friendly technologies.
