Dear Mr. Morgan:

I thought you would be interested in receiving a copy of the Golden Jubilee Edition on our Association. As you no doubt are aware the M. A. A. A. is the oldest athletic organization in Canada, in fact this coming winter we will celebrate the ninety-sixth anniversary of one of our clubs called the Old Tuque Bleue, which was started in 1840.

I do trust that in the not too distant future you will take the opportunity of visiting our Club. Kind personal regards, we remain,

Very sincerely yours,

Chairman,
PRESS AND PUBLICITY COMMITTEE.
