Professor Henry F. Osborn,
Curator, American Museum Natural History,
New York City.

Dear Professor Osborn:-

With reference to the invitation extended to you by our Principal, Sir Arthur Currie, may I add a word to urge you to accept the invitation if it is at all possible.

This will be the first opportunity that I have had officially to shew you an honour which in some measure will reflect my attitude towards you as my teacher.

With kindest regards to Mrs. Osborn,
believe me,

Cordially yours,

Chairman Inauguration Committee.
