Courses of study for the training of teachers for the Protestant schools of the province of Quebec, together with the examinations held in connection therewith, are under the direction of the Teachers' Training Committee.

The Professors so far appointed are Canadians in full sympathy with the aspirations and ideals of our people and with a knowledge of their needs. We hope for such a mutual bond of sympathy and confidence between the staff, the pupils and the public as will enable the college to render the largest and best possible service to its constituents. In the widest sense its field is the world.

The School for Teachers

By an agreement with the government of the province of Quebec, confirmed by an act of the Legislature, it was provided that a school for the training of teachers for the schools under the control of the Protestant Committee of the Council of Public Instruction should be established and carried on at Ste. Anne de Bellevue in lieu of the McGill Normal school in Montreal. In this department the college will give a thorough training to teachers by instruction and training in the school for teachers itself and by practice in the model schools. The arrangements will afford excellent facilities to student teachers from all parts of the province. The session of this school will begin 17th September 1907, and close on the 17th of June, 1908.
