Business Opportunities  
A MANUFACTURING BUSINESS—A general business proposition. Will stand the most rigid investigation. Have orders and contracts on hand that will net from thirty to fifty thousand dollars; profits twenty to four hundred per cent. Party able to finance this business as I will direct can make upwards of one hundred thousand per year. If necessary I will stay on for one year on a commission of ten per cent. of the profits. Best reasons for selling. Almost four thousand articles sold in the United States in three years. Will sell for cash, exchange for goods, or on easy terms. I would rather take one hundred thousand dollars worth of stock in the business than two thousand cash. Address Macao, Hamilton, Ont. ed 7
