

VASELINE.

EVERYBODY knows the great value of this remedy in the household, but everybody does not know that the imitations of it which some second class druggists dishonestly pass off on their customers have little or no value. What is often overlooked by the public is, that it is not a mere question of comparative value between "Vaseline" and the imitations, but that the imitations do not effect the wonderful healing results of the world renowned "Vaseline". Further, they are not the same thing nor made in the same way. In fact, many of the imitations are harmful, irritant and not safe to use, while true Vaseline is perfectly harmless.

Perfect safety therefore lies in buying only original packages put up by and marked with our name.

Primrose & West, with their brilliant company of minstrel merry-makers, are announced for Friday night. This will be the one minstrel event of the season. Primrose & West are the acknowledged world's leaders in this style of entertainment. Other minstrel organizations have arisen, fought out their brief life, and dropped exhausted and defeated by the wayside. But year after year Primrose & West have not only held their own but have triumphantly advanced, capturing stronghold and citadel of public favor. To minstrelry they have devoted their lives. Their art is their creed. Its furtherance is their ambition; its proud destiny the realized Mecca of their hopes and aspirations. They have advanced with it; they are bound up in it; they have devoted every energy. They have spared no expense in keeping this most genuine form of American amusement in the very front rank of popular entertainment. This year is the epitome of their career. Their entertainment is new from overture to the final fall of the curtain. They have the best minstrel organization ever put together in America, and their appearance here should prove one of the happiest events of the amusement year.
