HE CAUGHT 'EM ALL RIGHT.

He had experienced bad luck fishing.
On his way home he called at the fish store and said to the proprietor:
"Just stand over there and throw me five of the biggest of those trout!"
"Throw 'em? What for?" asked the man in amazement.
"So I can tell the family I caught 'em. I may be a poor fisherman, but I'm no liar

A NEW TYPE "He's a golf bolshevist."
"What's a golf bolshevist?"
"One who can't get any fun of game because the other fellow-better than he."

German merchants are among the first to take advantage of this lowering of the bars. They are sending out circulars pointing out that, owing to the low value of the bars. They are sending out circulars pointing out that, owing to the low value of the mark, they can offer their goods at prices much lower than the costs of the British manufacturers. Picture post-cards, manufacturers fear local classes of goods already offered, in which British manufacturers fear local producers may be rpined.

Fancy articles, leather (2008, razors, penknives and untearable books for children are but a few products with which the Germans are expected to flood british shops immediately. The prices of many desirable articles will be low-served. Even the section of the press which advocates a boycott of Hun products is not very confident that the English people will turn, their backs on low prices and steadastly refuse to buy the imported goods already offered in which the beds and steadastly refuse to buy the imported goods already offered in which the contained the products is not very confident that the English people will turn, their backs on low prices and steadastly refuse to buy the imported goods already offered in which because thousands of disable disable and paper-using industries will benefit considerably as a result.

The Evening Star says: "The main thing about German exports to this free course of a day." The prices of the sirring out childrens playthings for local manufacturers. The embargo on the importation of foreign paper is lifted, and paper-using industries will benefit considerably as a result.

The Evening Star says: "The main thing about German exports to this free course of a day." The work and the saturation of the correction of the correctio

The Evening Star says: "The main thing about German exports to this country is that, if we do not buy them Germany will not be able to purchase goods from us."

BALLOON MATERIAL MADE INTO CLOTHES

Half a million yards of cotton bal-loon cloth—enough to stretch from St. Louis to Chicago—will be manufac-tured into raincoats by a St. Louis concern, which bought the cloth at auction from the American govern. The auction price of the 38-inch sea island cloth purchased by the govern-ment for manufacturing balloons was announced as approximately \$25,000.

A READY EXPLAINER.

"Tommy, your head is wet, You've been in swimming against my orders."
"No, pa. I was just standin' on the hank watchin' the other boys when that little Tompkins kid did a belly-buster' an' splashed me."
"Then, why wasn't your hat wet?"
"I had it in my hand, pa, fannin' my-"Umph! I guess I'll have to make a wyer out of you, son."

ALTERNATE INSOMNIA. Admiral Sims said at a dinner

Washington: "And another frequent cause of divorce is alternate insomnia,"
"Alternate insomnia," said a nerve
specialist incredulously. "Pshaw, admiral! What the deuce is that?"
"Alternate insomnia," the admiral
explained. "is a complaint common to
a great many husbands and wives.
Whichever goes to sleep first keeps
the other awake all night snoring."

FREEDOM'S ATMOSPHERE.

"Does your wife object to you run-ning around with your men friends?"

"Not my married men friends." re-plied Mr. Dubwaite. "But she draws the line at bachelors." "She says whenever I go out with a party of bachelors, I always return home greatly depressed."

THE JAZZ SPIRIT. Waverly-Gerty Giddigad is crazy Marcella—Indeed?

"Yes, I learned that when I took her on a sightseeing trip thru the biggest boiler shop in town the other day."

"I don't get the connection."

"As soon as we entered the door and Gerty heard the terrific din she grabbed my arm and said. 'Gee, let's tango.'

"You always have that same waitress in the restaurant, don't you?" said the business man.

"Always." replied his friend. "She's very careful to bring me clean food."

"How do. you know?"

"Why, today, I saw her brushing the dust off my piece of custard pie with her apron." powers will take such steps as they

ALL FOR HERSELF. He—"If I stole a kiss would you scream for your parents?".

She—"No, not unless you wanted to kiss the whole family."

MILD BUT NOT SKILFUL. "I understand he never swears when "That's true. He's very mild-man-nered."
"He must play a great game."
"I wouldn't say that. If I played the kind of golf he does I'd be swearing all the time."

GOING UP! "Why do you wish to quit your at the soda counter?" "In figuring war taxes I have

along the frontiers of Austria and Hungary, which kept Europe in a ferment of unrest, it led to

trian delegation that the people of Austria do not share the responsibility of the government which provoked the war, or that they are to escape the duty of making reparation to the utmost of their capacity to those whom they and the government they sustained have so grievously wronged.

"Until the signing of peace, the people of Austria are, and will remain, an enemy people. If you its signature they will become a state with whom the allied and associated powers hope and expect to maintain friendly relations."

The note concludes: "The text of the treaty, which we send you today, following upon that of July 20 last, which has already under one considerable changes since the original text of June 20. must be accepted or re-jected in the exact terms in which it is now drafted. The allied and asso-clated powers require from the Aus-trian delegation within a period of five days, counting from the date of the pared to sign this treaty as it now stands. So soon as their decision reaches the allied and associated powers, arrangements will be made for the immediate signature of peace at St. Germain En Laye. "In default of such declaration. within the period above stipulated, the armistice concluded on Nov. 3, 1918, shall be considered as having terminated, and the allied and associated

may judge necessary to impose their conditions."

HER FIRST LESSON The newly married man came home from his office happy. He was greeted as newly married men are greeted. kind, he returned with interest. "Of course we shall go out to din-er darling," he remarked. "Yes, dearest," replied the happy

young woman.
"But one of these days we shall have a dinner here, darling, shall we not, of our own cooking?" "Of course, dearest," she replied, "I am getting along famously with my cooking lessons."

"And it will be such a change," he continued, "from the monotonous fare of the restaurants."

There were more kisses.
"Did you take cooking lessons to-day, darling," he asked.

"Yes, dearest."
"And what did you learn?" There was pride in her tone as she replied. "Today, dearest, I learned how to boil water."
