SATURDAY RUN WITH HOUNDS lembers of Governor-General's

One of the best runs and probably

One of the best runs and probably the largest of the season took piace Saturday with the Toronto nounds, upwards of seventy starting off in the saddle from Charlie Gates' Newmarket Hotel in charge of the Master. Most of the cavalcade went thru to the finish at Todmorden. Distinguished participants of the run were Capt. Hutton and Mrs. Hutton of the governor-general's party.

The going was heavy, but a fast clip was necessary to keep up with the packs, the hounds taking and following the scent like a streak. A couple of falls were not serious.

Among those in the saddle were: G. W. Beardmore, M.F.H.; Capt, Hutton, Mrs. Hutton, Miss Falconbridge, Miss Bailiwick, A. Kirkpatrick, Affred Beardmore, A. E. James, Dr. Temple, A. McKenzie, M. Mitchell, R. Marshall, G. Heward, G. Carruthers, Capt. Straubenzie, R. J. Lovell, V. Chadwick, R. Montgomery, Mr. Buckle, B. Smith, Capt. Straubenzie, J. Rodgers, Dr. Capon, Dr. D. King Smith, J. Miln, M. Murray.

[Bilac), 4 to 1, 3, Time 1.421-5. Red Knight, Rather Royal, King Henry, Gentian, Stolen Moments, Chippewa, Hocus Pocus, Asterisk, Midas, Lackey, Foxy and Revelle also ran.

As a gift a Diamond is 'sui generis'

The Diamond is truly "in a class by itself" when it comes to the matter of gift choosing. In selecting no other Yuletide present is there the same assurance of increasing value as years go by. Gem markets are rising the whole world over.

Undimmed Beauty

As to brilliance, also, years can have no dimming effects. A quarter century from this Christmas-tide, your gem-gift will shine as gloriously as to-day, to remind the recipient of the donor's thoughful kindness and well-wishing.

Emblematic

And the unapproached brightness and clarity of this queen of all gems seems aptly fitting to the glad Christmas season, and emblematic of its sentiments of happiness and cheer.

Exclusive

¶ Doubtless you will enjoy gift-making the more if you are able to select a jewel that is absolutely exclusive in design. Our stock is replete with such-in styles and prices that range most widely to suit individuel tastes and purses.

A Pendant

One of the most strikingly beautiful Brooch Pendants in our stock is one in Bow Knot effect, made for us at Pforzheim from special design. There is no stiffness in the effect, the ends of the knot swinging freely from the upper part of the bow.

The loops and ribbons are marked by a centre line of lustrous Pearls, interspersed with specially cut Rubies, and embedded amid almost countless Diamonds. The setting is of Platinum, backed by 18k. gold. A gift for a Princess, this—and at a price not beyond considering either.
