

Stock-Breeders

The Provincial Fat Stock Show at Guelph.

Grand Aggregation of the Choicest Classes of Animals.

The Prize-Winners and Those Who Owned Them.

Annual Meetings of the Cattle, Sheep and Swine Breeders' Associations—Officers Elected.

Wednesday was a busy and important day in connection with the Fat Stock Show at Guelph. Judging in all departments of the show was carried on during the afternoon, and in the evening the annual dinner of the Fat Stock Club, the annual dinner of the O. A. C. students and ex-students, and the annual meeting of the Sheep Breeders' Association were held. The demand was becoming more and more for young animals rather than for the heavy stock formerly required, and anyone visiting the show could see that they were doing all that was possible to meet that demand. He asked for the hearty support of the farming community for Mr. Fisher, who would lend valuable assistance to enable them to put on the market the best products in the best form. As to the location of the Fat Stock Show, he thought that the golden rule should be adopted of "do unto others as you would they should do unto you." His educational effect should be diffused over as large an area as possible.

In the evening the Sheep Breeders' Association met in the city hall. About 200 members of the association were present, the chair being occupied by Mr. James Tolton, of Walkerton, president of the association. Mr. Tolton, in his address, referred to the decrease in the exports of sheep. This year there was a decrease of 120,000 in the number shipped from Montreal. The breeding of pure bred sheep had also not been as profitable as in the past. The reason for this was that the Americans, who had been our best customers, had not bought as much as formerly. However, he thought the breeders should not be discouraged, and that there would be a distinct improvement in the future. The president and vice-president of the association and Messrs. J. Campbell and J. C. Smith were appointed a committee to wait upon the Dominion tariff commission and lay before them the views

of the members upon the matter of tariff revision.

It was resolved, "That this association respectfully memorialize the Minister of Agriculture for the Dominion Government to appoint not only a practical farmer, but also a man thoroughly in touch with and acquainted with the needs of the live stock raisers of the country, and that a copy of this resolution be at once forwarded to the Honorable the Minister of Agriculture for the Dominion." The resolution adopted by the Cattle Breeders' Association urging the removal of the quarantine on cattle entering Canada from the United States, and vice versa, was endorsed.

The election of officers resulted as follows: President, Mr. James Tolton, Walkerton; vice-president, Mr. D. G. Hamner, Burford; secretary-treasurer, Mr. F. W. Hodson, Guelph; Directors—Cotswolds, Mr. J. C. Snell, Snelgrove; Leicesters, Mr. Arthur Smith, Maple Lodge; Southdowns, Mr. John Jackson, Abington; Shropshires, Mr. R.
