# NEW DRAMA, 'THE FIGHTER' TO HAVE PREMIERE HERE Suckling & Co.

George Fawcett and the Percy Haswell Players Will Unite in Giving Treat

Toronto playgoers will have an op-portunity next week of witnessing the irst performance of a new play, which is destined to become one of the greatest successes of the coming season.

The play is a dramatization by Hilliard Booth of Albert Payson Terhune's celebrated novel, Caleb Conover, which he has named the which he has named "The Fighter."
Conover is the political "boss" of the state in which he resides. He is a strong-willed, rugged, self-made man, who has surmounted many difficulties, and has stopped at nothing to gain the leadership of his party. Conover, in the new play, will be portrayed by Geo. Fawcett, one of the most forceful actors on the American stage. Mr. Fawcett will be remembered here for his splendid acting in the role of "John Genton". Ganton," a stockyard king, at the Royal Alexandra, two seasons ago. Conover is a character somewhat similar to Ganton. Conover, however, can see the humorous side of life which Ganton did not. Conover carries his dominating and brusque manner into his home, which consists of his wife, whom he has thorely cowed a december with here. thoroly cowed, a daughter who has married a worthless, fortune-seeking count, and a dissipated son, whose only object in life is to squander the money

At the time the play opens Conoversis a candidate for the governorship of the state, and is opposed by Clive Standish, who stands for reform and the doing away with "graft." Lanier, Conover's secretary, is about the only one around Conover who is not afraid of him. She, however, is exceedingly friendly with Standish, and wishes to see him elected. The campaign has been carried on as in former times, with the money barriel open, and Standish's change are very slim. and Standish's chances are very slim. Anice has in her possession some documents, which if made public would send Conover to jail. She tells Conover that she will expose him unless he fights fairly. This he agrees to do, keeps his promise, and Standish is elected. While busy with the election there is trouble in Conover's home, the French count has deserted his daughter, the son marries a chorus girl, and is subsequently arrested charged with a subsequently arrested with a subsequently subsequently arrested, charged with a serious crime. The incriminating papers fall into the hands of the district attorney, and Conover is threatened with arrest, but in the end he extrihimself from all his troubles. Mr. Fawcett and Miss Haswell will be supported by the full strength of the Percy Haswell players. The playwright and the author will both witness the first performance on Monday night.
