The Lorne A. A. of Halifax will hold their regatta on Saturday, July 24.

Alderman Baxter addressed the second of a series of meetings on civic politics in the assembly rooms of Keith's Theatre last evening. Thomas Kirkham presided and about 60 persons were present. The alderman dealt with various civic issues and spoke at some length also on newspaper criticism of his actions, and referred to his connection with G. S. Mayes.

JOHNSON AND KETCHEL WILL
FIGHT FOR PURSE AND 60 P. C.

Articles of Agreement Under which They Will Battle Twenty
Rounds on October 12th—\$5,000 Side Bet Posted—Big
Loser's End in Percentage Division

The heavyweight championship fight of 20 rounds between Jack Johnson, the present holder of the title, and Stanley Ketchel, middleweight champion of the world, to be decided at Colma, California, Oct. 12, has been clinched by Promoter James Coffroth, who has agreed to hang up 60 per cent. of the gross receipts.

After Johnson had seen Al Kaufman fail in his attempt to buy Tom Noss in ten rounds at the Fairmont A. C. C. on Tuesday night, he was soon in close consultation with Coffroth and Willis Pratt, Ketchel's manager. There was another confab after which articles of agreement were signed, both Johnson and Ketchel accounting for Coffroth's terms, including a 25 and 35 per cent. division of the money, with a side bet of \$5,000, which has been posted.

It seems, by the way, that ever since Johnson arrived from Australia he has been more anxious to take on Ketchel than anybody else, and he is now a Brandy, among others, asked the negro in Chicago several weeks ago, who would be his first opponent in a battle for the title, Texas Jack replied, with a broad grin, "That boy Ketchel is just made for me." So from that it is understood that Johnson made up his mind as soon as Ketchel beat Jack O'Brien that a bout with him would draw more money in California than a battle with Kaufman or Langford. Jeffries being eliminated from the calculations altogether.

Ketchel, when he learned that he had been matched with Johnson, was delighted. "I'll beat him, sure," said he. "I know he can't hurt me, and furthermore, he can't keep away from me like O'Brien. All I want is to get home a few mashes in the body and I'll bring Johnson down so that I can knock him head off. When I get into the ring I'll scale at 175 or perhaps 180, for I'll have more than five months in which to build up."

Johnson declared that Ketchel would be an easy mark.

"The Society for Prevention of Cruelty to Children should stop it," said De-laney in disgust. "Why Ketchel is only a boy, with little or no experience and little or no science. He will not be able to hit Johnson because of the negro's great reach and defensive tactics. Johnson dodged Kaufman, a man of his own size, because he feared defeat."

Kaufman's failure to stop Ross was an unfortunate setback for him, but it did not prove that Kaufman could not win a long drawn out battle with anybody in the ring today. Ross was clearly under-rated. He possessed wonderful stamina and gameness, as well as a terrific punch in either hand.

The articles of agreement provide that soft surgical bandages or fingerless gloves of kid are to be permitted, and to be put on to the satisfaction of the referee. It was further provided that each party to the agreement deposits \$5,000, to be paid to the winner of the contest, and that this sum is to go as a forfeit for the compliance by both men with the articles of agreement. The \$10,000 is to be put up immediately and transferred to the Naughton of San Francisco. Both contestants are to submit to physician examinations by the official physician, Dr. W. G. Beattie, of Colma, Cal., at reasonable times, and both men are to be in San Francisco thirty days before the contest. Moving pictures of the fight will be taken and the proceeds divided by a private agreement. The articles are signed by Willis Pratt and by Johnson, and Ketchel and James Coffroth, for the Colma Club. Ketchel was anxious to fight 20 rounds but Johnson demurred, saying that 20 rounds would suffice to show which was the better man. Jimmy Coffroth argued for nearly four hours trying to get Johnson to agree to a longer contest, but the champion was obdurate and finally had his way. Ketchel said he weighed 175 pounds at present, and would enter the more than five months in which to build up.

The contest will probably take place in the early afternoon of October 12. The hour will be named later by Coffroth.

ELECTRICITY IS THE SOURCE
OF PHYSICAL AND MENTAL ENERGY

What the Cured Say

"I am enjoying better health at present than I have for many years. I would recommend your Belt to any one suffering from rheumatism or any form of nervousness."—J. HARRY DENTON, Trenton, Ont.

"Your Belt cannot be beaten for curing weakness and Varicocele."—D. JANNISON, Stettin, Ont.

"I found a cure for stomach, heart, kidneys and nervous troubles by using your Belt, and have not experienced a return of any of the things a man finds in old-style belts."—JAMES ED. JONES, Tuelon, Man.

"Every word you said turned out true. I could not have believed it myself that your Belt was as good as mine."—ALEX. McDONALD, Dunmore, N. S.

Every man who is failing and "going back" knows that there ought to be something that will restore that old "oomph" to his physical body. He has tried the usual drug method and found that a fizzle, and yet he knows there must be something.

I know it, too, and I've got it. It's Electricity. You can't name anything more likely to have that force which a weak man lacks. It's a natural power. I can pump it into a weak man while he sleeps, and make him feel like a Sandow in no time. It's the life of life.

If you have been paying money to doctors and taking nasty drugs for years, and after getting no benefit from it all, you find a new lease of life after using my Belt for a month, you will be enthusiastic. You will want to go out on the highways and shout, and you won't care who knows that you were once a weakling, because now you are cured and a man again. My Belt is easy to use; put it on when you go to bed; you feel the glowing heat from it (no sting or burn, as in old-style belts), and you feel the nervous tingle with the new life flowing into them. You get up in the morning feeling like a two-year-old.

Why do you not listen to the flight of time, to the echo of thousands of grateful voices raised in thanks to DR. McLAUGHLIN'S ELECTRIC BELT? Why do you go on from day to day realizing that you are losing your nerve force, when you see a cure within your grasp? Reach for it, take it to your heart and feel the life-blood flowing, jumping, dancing through your veins; feel the exhilarating spark of power warm your frame, the bright flash come to your eyes, and the firm grip to your hand—the grip which clasp your fellow-man and tells him that you have found your Mecca—you have regained your strength. Act today. Do not delay a matter which is the key to your future happiness; do not allow a disease to destroy all possibility of future pleasure for you. Whatever your condition, today you will not improve as you grow older. Age calls for greater vital force, and the older you get the more pronounced and apparent will be your weakness; so cure it now—cure it.

Now, if you suffer, do not lay this aside and say you will try it later. Act today—NOW.

If you will come and see me I will fix you up. If you can't call, let me send you my book full of things a man finds in old-style belts, and tell him that you will explain everything. Free, if you send this coupon.
