## Umpire Bating Breaks up Game

St. Peter's League Fixture Thrown Into Disarray on Account of Unsportsmanlike Tactics

The game in St. Peter's baseball league last evening between the Shamrocks and Maples started off well, but developed into a farce and at the first of the fourth inning came to an abrupt ending. The Maples won the toss and took the field. As a result of wildness on the part of Pitcher Lobb one of the Shamrock players scored and for a time it looked as if several runs would be made. In the last of the first the Maples came back strongly and placed two runs across the plate. They succeeded in blanketing their opponents in the second and adding two more runs in the third. At this stage of the game some of the Shamrock players, apparently fearing defeat, started to protest every decision of the umpire, Walter Dunlop, who had been giving fair and impartial decisions. Whitey Gibbons, Manager of the Maples, later decided that they could render decisions as well as officiate in their respective capacities and put up an unwarranted howl about a play. As a result the umpire told them they had better umpire themselves and walked off the field. After some delay Michael Howard essayed to umpire, but it would have been much better if he had stayed on the Shamrocks' bench. He may have given his decisions according to his judgment, but they were declared so and that spectators left the field. Gibbons and McIntyre apparently were satisfied, but had they been good sports they would not have permitted such decisions, even though they were in their favor. A ball, which was struck foul by fifteen men, was left by the umpire and the game was thrown into the disarray. It was regrettable that Billy Howard was not on the job. He may make mistakes once in a while, the same as the best umpires in the world, but his decisions are fair and impartial. Next week the Shamrocks and Maples will meet three times—on Doherty, on the 28th, and on the 29th. The Shamrocks are fair and impartial. The box score was as follows:

Maples	A.B.	R.	H.	P.O.	A.	E.

## Montreal May Lose Franchise

There May Be No More International League Games There Unless Attendance Improves

Montreal, July 18.—"Unless Montreal shows me something in the way of attendance within the next week or ten days, there is every likelihood of the International League franchise being transferred from this city," said President Lichtenhelm of the Royals. That the club may finish the season in Norfolk, Va., following an offer from that city on Saturday, is quite possible. The attendance here this season has been the poorest in the history of the club.

Tait Again Gives O'Leary K. O. Moosejaw, July 20.—Clonke Tait, of Edmonton (Alta.), lightweight champion of Canada, knocked out Johnny O'Leary of Vancouver, in the fifth round of a 10-round match here today. It was the second time within a week that Tait had disposed of O'Leary by a knockout.

### Cobb and Cruise Still Lead

Montreal, July 19.—Two changes took place among the batting leaders in the National and American Leagues yesterday. In the American, McInnis of the Athletics took Frank Baker's fifth position and in the National Burns gained clear possession of fifth place. Cobb and Cruise still lead their respective leagues. The leaders in each circuit follow:

**How Bets Were Won**  
Windsor, Ont., July 19.—Equipped with a five-foot telescope, and a long distance telephone wire, a man who says he is Harry Miller, 30 years old, of Chicago, was found by city detectives yesterday in the upper room of a house on Tecumseh road, nearly half a mile from the Windsor Jockey Club track. When the officers broke into the house, Miller was just phoning to Chicago confederates the fact that he had just entered the stretch and was leading the field.

Miller was arrested. With a big telescope installed on a stand and shielded from view by a curtain, Miller was able plainly to distinguish the leading horses as they left the barrier, and again as they entered the stretch. He told the officers he had "worked" at most of the big tracks in Canada and the United States. It is supposed that his confederates placed a bet with one of the big Chicago handbooks as soon as they were informed which horse was leading the field near the finish.

**White Sox Want Bush**  
Philadelphia, July 18.—Reports from Chicago state that Joe Bush, star twirler of the Athletics, will wear the uniform of the White Sox before the end of this month. Manager Clarence Rowland is after Bush in order to strengthen his pitching staff for the final drive to pennantville.

Rowland believes that with Bush on the payroll he would lead the American League Pennant.
