As Day's Business Opens

In Montreal

NEW YORK, March 18.—Spirited rallies in the Van Sweringen rail issues, in response to the higher dividends declared yesterday featured the opening of the stock market today. Chesapeake and Ohio sold five points higher on a split opening of 10,000 shares between 133 and 133¾ and Nickel Plate scored an initial gain of 4¼. Buying of other rail shares was stimulated at the same time, but selling of mercantile and food issues gave general trading an irregular

being about equally divided in a quiet and narrow range.

Consolidated Smelters firmed ½ at 210, Brazilian eased ¼ at 91¾, Detroit Railway dropped ½½ at 3½, and Winninge Railway eased ¾ at 51. Shawinlaga nwas firm, selling up 1 points at 182½.

Rev. Canon Sisam Addresses Members of Moncton Epworth League

MONCTON, March 18.—A large number attended the meeting of the Epworth League at Wesley Hospital Church Tuesday night, when Rev. Canon Sisam gave a very interesting talk to the young people. In the course of his address he told of his early experiences in the ministry, which led him to different parts of the Empire. He recited many anecdotes in connecion with his travels.

The league also transacted routine business and the chairman, Mr. William Church, tendered Rev. Canon Sisam the thanks of the league for his address, and contented unit in the confederation of the league for his address, which was of an intensely interesting saint John and New Brunswick sto mature.

with, though it involves the locking up of a large amount of capital in stocks carried at our depots in several places in that part of the country. We have branches now established at Montreal, Toronto, Winnipeg and Vancouver."

Each Spring about this time, we suggest to all coal buyers who are not doing business with us, to test our coal in finishing out the season, so that when the time comes to order for next winter, the coal most suitable for mild as well as severe weather, will easily be decided on.

We make many new friends each year through this suggestion, because our coals are always of the best.

This year WELSH "HI-HEAT," has, not only our recommendation, but the endorsement of more satisfied users than any coal has had during our 13 years of busi-
