**TWENTY-FIVE YEARS AGO**  
In events of 25 years ago the Montreal Gazette quotes from its issue of Oct. 30, 1897:  
"Fredericton—Hon. H. R. Emmerson is premier of New Brunswick, a reconstruction of the local government having been effected this evening. On account of ill-health Hon. James Mitchell resigned the premiership. Mr. Emmerson was appointed premier. Mr. Emmerson to form an administration. The new ministers are Hon. Messrs. A. S. White, L. J. Tupper, A. T. Dunlop, C. H. Lablanc and L. P. Farris, without portfolio."

**OUR ENVOIUS NEIGHBORS.**  
Halifax Chronicle: Much is being said of the fact that Andrew Bonar Law, the new prime minister of the United Kingdom, was born in Canada, and while we may take laudable pride from that interesting fact, yet we are bound to confess that Mr. Law cannot be called a Canadian in any real sense. Although he was born in New Brunswick, he was taken to the old country at childhood by his parents, he grew up there, was educated there, and had his whole business and political experience over there. He is essentially in manner, thought and viewpoint an old country man.

**MARRIED IN BOSTON**  
At nuptial mass in the Cathedral of the Holy Cross, Boston, on October 28, Rev. Father Dacey united in marriage Mary Virginia Higgins and Frederick Norris McLaugh, both of this city. The bride was becomingly attired in a suit of marten shade broad cloth trimmed with beaver, with hat of silver and lenna. She was attended by her cousin, Miss Mary Townshend, who looked very pretty in a nigger brown suit with hat to match. Donald Townsend supported the bride. The bridegroom wore a suit of marten shade broad cloth trimmed with beaver, with hat of silver and lenna. The bride's gift to the bridegroom was a check for \$100. The groom's gift to the bride was a check for \$100. The ceremony was held at the home of the bride's aunt, Mrs. D. A. McPhee, where a dainty breakfast was served. Among the gifts received by the bride was a check from the firm of F. C. Wesley & Co., with whom she was employed, and a cut glass vase from Wm. Lund and employees. After a short honeymoon, they will return to St. John where they will reside at 18 Camden street.

**KILLED IN BOSTON; TO BE BURIED IN ST. JOHN.**  
Word has been received in the city that Allan Ferguson, son of Mrs. A. Ferguson, 233 Gullford street, West St. John, was killed in Boston on Sunday morning. No particulars of the death are given but as he was employed with the Edison Electric Company, it is thought that he met with an accident at their plant. Mr. Ferguson was formerly of St. John but had been employed with the Edison people for some time, both before and since the war. He served in France with the Massachusetts regiment and with the American Flying Corps as a lieutenant. His brother Samuel was killed with the 20th battalion at the battle of the Somme in 1916. Besides his mother, he leaves his wife, one small daughter, two brothers, Clyde N., of West St. John, and Lorne, of Boston; and two sisters, Mrs. W. B. Nice and Mrs. A. Metwin, of West St. John. The body will be brought here tomorrow on the noon train and the funeral will be held from his mother's home, 238 Gullford street, on Thursday afternoon at 2.30 o'clock.

**Who Said H. H. DUNHAM DIES ON WAY TO HIS WORK**

The electors are being told that hydro for St. John will mean more taxation, but those who tell them so cannot name a single Ontario municipality where increased taxation has resulted from hydro.

Mr. O. M. Perry, manager of the Windsor Hydro Electric System writes: "The ratepayers of Windsor have not paid one cent towards the support of hydro. The rates have been sufficient to pay all our operating charges, interest and sinking fund and during the years 1915 to 1921 inclusive we have accumulated a surplus reserve of \$259,337.00."

Note that the rates in Windsor are exactly the same as those proposed for St. John. The original rate before the advent of hydro was twelve cents per K. W. H. In spite of rate reductions from year to year starting in 1915 at 4.9c. and reducing to 3c. in 1921, Windsor has paid all operating and fixed charges and accumulated a reserve surplus of \$259,337.00—all in seven years.

All this has been accomplished in the face of competition from a privately owned plant. This plant has recently been purchased by the city of Windsor for \$190,000.

Mr. Perry further states: "DURING THIS TIME, IF ALL THE ELECTRICITY SOLD HAD BEEN PAID FOR AT THE RATES IN FORCE PRIOR TO HYDRO, IT WOULD HAVE COST THE PEOPLE OF WINDSOR ONE AND ONE-HALF MILLION DOLLARS MORE THAN THEY ACTUALLY PAID. HYDRO HAS SAVED THEM THIS AMOUNT SINCE 1915."

Who said taxes?

**U. S. CITIZEN IS SLAIN IN SYRIA**  
Near East Worker Killed by Brigands—Was Escorting 1,000 Orphans from Turkey.

New York, Oct. 31.—The murder of James Lester Wright, of Wukens, Wis., a Near East relief worker, by bandits near Aleppo, Syria, was reported today in a cable message to Near East relief headquarters by Stanley Kerr, one of its workers in the Beirut Aleppo district.

The message said Wright was in charge of a group of 1,000 Armenian orphans being taken from Harpoot, Turkey, to Aleppo. The message did not state the exact location of the attack or whether or not the children escaped.

It is thought that Wright was murdered by one of the numerous forces of brigands that prey on travelers over the roads leading into and through Asia Minor. Wright was the first Near East worker to meet a violent death during the seven years of the organization's service.

**VERY SUCCESSFUL**  
Many from City Attended Tea and Sale in Hampton Last Evening.

More than 500 people, many of them from the city, attended a high tea and sale held last evening in the rectory of St. Alphonsus' church, Hampton. The proceeds, which will go to the church fund, were particularly satisfactory. The house was attractively decorated with Hallmark ornaments and collectibles. Practically the whole of the lower floor was given over to the serving of supper and the committee were kept busy from five o'clock until nearly ten. Rev. Raymond McCarthy, of St. John, who is in charge of the church, expressed himself as being well pleased with the success of the event. Mrs. Thomas Conway was general convener, Mrs. Mrs. Frank McPherson and Mrs. Frank McPherson had charge of the fancy work, and Mrs. Charles Forestell, of the candy table.

**A LITTLE MORE NEEDED.**  
An effort has been made during the last week to raise enough money to send Chinese delegates from local Sunday schools to the Canadian Chinese Christian Convention at Ottawa next week but the little fund still lacks about \$20 of the required \$100. It would appear that most sources from which such money would be forthcoming have already contributed, and the extra amount may have to be donated by well-wishers of the general public. A phone message to M. 1473-11, will tell the story, and from one who is making it a life work.

It is the first time the people of St. John, aside from all denominations have had the privilege of sending an Oriental citizen of this country to a Christian convention of his own fellow countrymen for the betterment of Canada.

**A CASE OVER INSURANCE ON LUMBER**  
In the circuit court this morning before Chief Justice McKeown hearing the case of W. Malcolm Mackay Co., Ltd., vs. the Royal Exchange Insurance Co., an action for the recovery of \$3,500 on a policy of fire insurance. The fire occurred in June, 1921, at Burton, Sunbury county, destroying lumber which was the subject of the policy. The plaintiffs contend that the cutting of the lumber by Atkinson & Co. of Fredericton, N. B. in all there was \$35,000 insurance on the lumber, and after the loss occurred settlement was made by almost all the others.

A clause in the Royal Exchange policy called for a certain distance to be between standing brush and the piled lumber, and the plaintiffs contend that this clause was adhered to. An inspection of the lumber was made by Mr. Heine, insurance agent. One company which had been insured for \$3,500 dropped out and the Royal Exchange took the line. It is the contention of the defence now that this meant a new contract and that the company was not bound by a previous inspection.

Evidence was given this morning by Hugh Mackay and by Mr. Atkinson of Fredericton, and adjournment was made to this afternoon. Dr. P. R. Taylor, K. C., and Dr. J. B. M. Baxter, K. C., appear for the plaintiff, and Messrs. Teed & Teed for the defence.
