**DISASTROUS FIRE**  
IN NELSON, N. B.

Newcastle, N. B., July 28.—A disastrous fire which started in the lumber yard of the Fraser Company, Limited, this afternoon destroyed 13,000,000 feet of sawn lumber, a large new office, a new cook house and boarding house and an old cook house, as well as two residences owned by the Fraser Company, all of which were insured, as well as three other residences and two barns which were not insured. All the contents of the houses were saved.

Tremendous efforts on the part of the fire departments and their hundreds of volunteer helpers were made in saving the Fraser mill, which fortunately escaped without fire damage.

It is impossible tonight to estimate the amount of the loss, but it will probably be considerably more than \$200,000.

The other houses consumed were the residence of Medley Atkinson, owned by the company; Mrs. Mary Rollins' residence, which was the Old Doris party, and one of the finest of the old buildings in the district; John Newman's residence and barns and the barn and old house belonging to Dennis Sullivan. Mr. Sullivan's old house was used for the storage of wagon. This new house was not touched by fire.

But this can not continue. The miners' strike in Great Britain is ended; industry is revived. As soon as Winter Port steamers start coming, the low price period will end.

If you intend to build, GET BUSY NOW.
