### CANADA IN THE WAR

In the Cathedral yesterday morning  
His Lordship Bishop Le Blanc an-  
nounced that the Catholic portion of the  
26th battalion would receive holy com-  
munion in a body at the 9.15 o'clock  
service next Sunday.

Two officers of the Princess Patricia's  
regiment, Talbot Piqueneau of Montreal,  
who addressed the Women's Canadian  
Club in St. John last summer, and Mr.  
Stewart of Halifax, were seriously  
attacked by the Patriotic Club when  
they were in the city.

H. R. H. the Duchess of Connaught,  
has sent out 80,000 Christmas gifts, a  
box of maple candy with her card, for  
the Canadians in camp in England as  
well as for the sailors in the Atlantic  
and Pacific squadrons.

Major Gen. Sam Hughes visited Syd-  
ney, C. B., on Saturday and made an  
inspection of the military properties. He  
gave assurance that Sydney would be  
one of the mobilization points for the  
third contingent.

Fifty-five Canadian officers, a surplus  
from the first contingent at Salisbury  
Plain, arrived in Halifax yesterday.

The presentation of "Pinafore" in  
Fredericton by the Patriotic Club there  
last week netted \$366.02 which will be  
divided between the Canadian Patriotic  
Fund and the Belgian Relief Fund.

Several presentations to volunteers  
with the different military units going  
overseas were made on Saturday in the  
city.

Capt. F. F. May, and Lieutenants  
Woods and Sherron of the 26th Batta-  
lion, were the recipients of wrist watches  
from their associates in the local office  
of the Bank of Nova Scotia.

Fellow employees of William Pitt,  
Gordon Penny, and Robert Turner, in  
the St. John Railway Company, on Sat-  
urday presented to them wrist watches,  
the presentations being made by G. M.  
Peters, treasurer of the company.

The men aboard the government  
steamer Helena on Saturday presented  
to another member of the crew, Allan  
Russell, a wrist watch. Chief Engineer  
W. B. Spicer made the presentation.

Members of the Loyalist Club going  
with the second contingent, M. Sinclair,  
R. McKee, H. Hanson, N. Pettis, C.  
York and C. Folkins, were tendered a  
farewell dinner in Centenary schoolroom  
on Saturday night. About thirty mem-  
bers were present, and the speakers in-  
cluded Rev. W. H. Barracough, M. L.  
Harrison and J. E. Arthur.

Church Parades.

Many people yesterday lined the  
streets along which the different parades  
of soldiers passed. Each unit made a  
splendid appearance and marched al-  
ong with the jaunty swing of well  
trained men. Probably the chief in-  
terest in yesterday's parade centered in  
that of the ammunition column who  
were attending for the last time in St.  
John, since they left for Fredericton  
this morning, there to train for service  
abroad. They presented a splendid show-  
ing in their march to St. Mary's church  
where Rev. W. G. Raymond, D.D., chap-  
lain of the 3rd Regiment, preached a  
stirring sermon in their honor. They  
were headed by the Artillery Band. Rev.  
Dr. Raymond had previously conducted

### BIDS FOR SUBMARINES

Will Cost United States About \$400,000  
Each

Washington, Dec. 19—Bids for seven  
more coast defence submarines and one  
seagoing, fleet-keeping submarine, have  
been opened at the navy department.  
The bidders were the Lake Torpedo  
Boat Company, of Bridgeport, Conn.,  
and the Electric Boat Company of  
Quincy, Mass.

The Lake Company submitted the fol-  
lowing bids: Coast and harbor defence  
submarines from \$376,000 to \$427,000  
each for construction on the east coast  
and an addition of from \$21,000 to \$25,000  
for construction on the west coast; seagoing  
submarine from \$1,368,000 to \$1,895,000.

The bids of the Electric Boat Com-  
pany were: Coast defence submarines  
from \$376,000 to \$427,000 each, with an  
addition of from \$17,500 to \$20,000 each  
for construction on the west coast; seagoing  
submarine from \$1,368,000 to \$1,895,000.

Price variations are due to the fact  
that alternative bids were submitted,  
corresponding with several proposals as  
to specifications.

The seagoing submarine is a new type  
and will be practically the size of a de-  
stroyer, with a speed of not less than  
twenty knots on the surface, which will  
enable it to keep the sea with the fleet,  
while it will also be able to do duty as  
a submarine.
