PICKS YANKEES TO WIN PENNANT

Says They Have Sufficient Strength to Capture Another Pennant.

By HENRY L. FARRELL.

New York, April 17.—(United Press.)—The New York Yankees, a critic and wisely, picked up the American league last winter, and some other strong club step into a chance of winning the pennant.

There is nothing to indicate at the current writing that the world's champions are even crumbling, let alone falling apart. There is a slight chance that one or, at the worst, two of the star pitchers might go wrong, but there would be sufficient strength left to carry through a team that is very capable on the offense.

For the reason that the Yankees are just as good, if not a little better, than they were last year and that their most powerful opposition has not been correspondingly improved, there is no cause to believe that Miller Huggins will not be the first manager to attain the fame and the record of winning four pennants in consecutive years.

Realizing that the strength of the challenging teams is more than usually balanced and that there are the possibilities for some great surprises that cannot be figured or anticipated, the following is offered as a prediction of how the teams will stand when the race is ended:

New York Yankees
Cleveland Indians
Philadelphia Athletics
Detroit Tigers
Washington Senators
Boston Red Sox
St. Louis Browns
Chicago White Sox

The Yankees are picked to win the pennant again, because they have a powerful hitting and a good fielding team and the best pitching staff in the league. They should have more confidence than they had last year before they had won a world's series and they are too experienced and too balanced to be in danger of getting enlarged skulls and taking it too easy.

It was not until last fall that the club really found itself and it is sure to be improved by the feeling that it was good enough to beat in the world's series what had been held up as one of the finest teams in baseball.

The Cleveland Indians were noosed out of second place last fall by the late rash of the Detroit Tigers after they had did what running-up to be said to have been done to the Yankees throughout the hottest part of the pennant race.

With George Burns on first base and with improved work that should be expected from several young players, the Indians should finish in second place and, if the Yankees crash, they are the logical club to step into the pennant.

Connie Mack made a great start with the Philadelphia Athletics until July. The team had been inspired, it seemed, by the brilliant work of Matthews, a young outfielder. When he went bad, the team went with him. Mack has two very promising outfielders in Strand and Simmons, who ought to speed up and add punch to the team, and he has, in Bishop, a second baseman who promises to make the infield.

If there is to be a dark horse, it might be the Athletics and if there is to be a terrible bust, it will be the Athletics.

Because no improvement has been made in the club, because it is weak at second base, threatening at shortstop and none too heavy with pitching, the Detroit Tigers are picked for fourth place, although they finished second last season.

Ty Cobb admitted, during the winter, that his pennant hopes depended upon a second baseman. So far he has failed to get a new one. If Bishop makes good with the Athletics, Cobb may get Dykes from Connie Mack.

"Heartlock" Again Gets Champ Strangler Lewis

"STRANGLER" LEWIS AND HIS BRIDE.

Chicago, April 17.—There's one hold that can floor "Strangler" Ed Lewis, champion wrestler. And that's the "heartlock."

Miss Beatie McNear, Kansas City, Mo., beauty, is the second to apply it successfully.

The first was Dr. Ada Scott Morton, California woman physician, and she slipped from her hold after a few years of married life, and the divorce judge separated them.

There was considerable rough and tumble with romance before the second victory of Cupid vs. Lewis had been achieved.

Billy Sandow, who is Lewis' manager, had put the champion under agreement, it is said, to stay out of the matrimonial ring. No more love matches, were the orders, while the "Strangler" was champion.

but it may be too late when he gets him.

Washington finished fourth last season, but Donnie Bush lost his job, because he would not follow Clarke Griffith's orders. Buck Harris, the "kid" manager of the club, will have to follow Griffith's orders, and for that reason the team will not do so well.

Harris is too young to boss a veteran club and keep up on his own work.

Bobby Quinn and Lee Fohl, the club pair that put the St. Louis Browns on the map, are now in charge of affairs at Boston.

The Red Sox are a formidable team and, in such competent hands, it is not too much to expect that Quinn and Fohl will do something in one year. There is a chance, and a good one, that they can displace Washington and finish fifth.

The St. Louis Browns are basing their hopes on the slim chance that their new manager, George Sisler, will be able to play first base as he did two years ago, before he had to retire with bad eyes. Sisler has made a game effort to come back, but it is understood from the most reliable sources that he cannot possibly play longer than June, if that long.

Without Sisler, the Browns are only a ball club, and not a very good one at that.

The White Sox would have had a better chance to get along if Frank Evers, the club's best pitcher, had not been traded to the Athletics. So far he has failed to get a new one. If Bishop makes good with the Athletics, Cobb may get Dykes from Connie Mack.

GREENLEAF WINS FIRST TITLE GAME

Champion Pocket Billiardist Defeats St. Jean for World Honors.

Philadelphia, April 17.—Ralph Greenleaf, the titleholder, easily defeated Andrew St. Jean of Minneapolis in the first match of a Round Robin tournament for the world's pocket billiard championship. The score was 126 to 86.

Greenleaf played a brilliant game. His wonderful technique and deft stroking thrilled the spectators, especially in the third inning, when he made a run of 33 off the break. The champion ended the match with an unfinished high run of 82. St. Jean was blanked in all except two innings, in each of which he made a run of 15.

Six games are scheduled for this city, after which the contestants will go to Minneapolis and from there to Detroit, where the tournament will end. All the matches will be at 125 points instead of 100 as in the recent national tournament.

CASEY'S HOMER BREAKS UP TIE

Puts Braves in Lead—Detroit First in American League.

New York, April 17.—All victors of the major league opening day were defeated yesterday except Detroit, which jumped to the American League leadership by winning over Cleveland 5 to 1.

A home run by Casey Stengel in the tenth inning broke up a two-day tie between Boston and Philadelphia and placed the Braves at the head of the National parade. The score was 4 to 3.

Home runs were numerous. Frankie Frisch and Billy Southworth connected with Burchell Gimes' splitter for circuit blows in the Giant form recent which downed Brooklyn by 7 to 2. Carlson, a Philly pitcher, harried the Cubs, L. Bell of the Cardinals and Harry Holman of the Tigers were the other four-base swatters.

Wilbur Cooper pitched Pittsburgh to a 1-0 victory over Cincinnati in the best played game of the day.

Ruth hitless. Jack Bentley held the Dodgers hitless until the seventh, after which he allowed four blows. The veteran Jack Quinn gave Yankee batsmen only six safeties, and turned Babe Ruth back hitless in the Red Sox 9 to 6 victory which witnessed flashy fielding by young Dudley Lee, Red Sox shortstop.

While his teammates wallowed four St. Louis pitchers for 17 hits, Grover Alexander coasted with a 16 to 4 Cub victory. Rommel tyried a five-hit contest for Connie Mack's young Athletics, who drove the veteran Mogridge from the mound in the first frame and beat Washington 6 to 1.

George Sisler's batting and fielding again featured the St. Louis-Chicago battle in the American League, but a single by Eddie Collins brought Hooper home with a 9-2 White Sox victory in the tenth inning.

Earl Whitfield, Detroit recruit southpaw, knocked Joe Sewell unconscious with a thrown ball, and hit three other batsmen while defeating Cleveland. Sewell finished the game.

Some time ago there were rumors that a little Russian princess, Mary Travaski, had been matched with the champion, but the "heartlock" didn't seem to work.

THINKERS Four Great Veterans Help Washington Rookies

TOP TO BOTTOM: JOHNSON, GRIFFITH, ALTHOFF, CHESERO.

The death of the Ballykisteen stallion, Happy Warrior, from a fractured vertebrae received in an accident recently, will prove a severe blow to the breeding industry in Ireland, in the opinion of leading breeders.

Happy Warrior, which was by Sundridge and Sweet Lassie, by Orme, was remarkably successful with his two-year-olds, of which in 1922 eleven won twenty-three races of the value of £4,800, and in 1923 nine of them accounted for seventeen races, worth £4,000.

His stock has been running only since 1920, and in the four seasons it has won in England, Ireland, Belgium, South Africa, India and Germany fifty races of the value of £14,000.

Happy Warrior, which was bred by J. B. Joel, was own brother to Sunfire. As a two-year-old he ran only four times, being second in his first race. He then won successively the Glasgow Nursery at Doncaster, the Hopeful Stakes at Newmarket and the Chesterfield Nursery at Derby.

Becoming the property of the late Kennedy Jones, Happy Warrior was retired from racing in 1914 and commenced his career at the Ballykisteen stud the following year. His owner died a few seasons ago and the horse was sold to the present owner, Mr. J. M. Jones, in 1914.

In point of the number of his two-year-old winners, Happy Warrior was the most successful sire in Ireland, and several months ago his list for the present season was filled at a fee of 99 sovereigns.

Having received word from the Hurlingham Club of England that the string of forty more mounts to be sent by the representatives of Great Britain in the International Challenge Cup matches at Meadow Brook will be provided by the British players, it has been decided to turn over the field at Piping Rock to the British combination and there the challenge will hold practice matches twice a week.

However, other preliminary events will be provided by the Americans to enable the invaders to get in all the practice that they might require. A series of matches against American players on private fields on Long Island will be arranged and the Englishmen will have plenty of opportunity to become acclimated and conditioned before facing America's Big Four on Sept. 6, 10 and 18 in the championship series for the historic international trophy which has been in competition since 1886 and which will be defended by an American combination for the first time in ten years.

The string of ponies which the British team will bring over for use in the Challenge Cup contest, the Open Championship and the Monty Waterbury Cup series probably will be stable at Piping Rock, where the mounts of the British army were quartered last season. Every facility for caring for the ponies will be provided by the army authorities at Mitchell Field. The British mounts will be accompanied on the trip across the Atlantic Ocean by English grooms, and these men will have charge of the animals while in this country, but the authorities at Mitchell Field will provide enlisted men to help in taking care of the ponies during their stay in the United States.

Paris, April 17.—Georges Carpentier, accompanied by a number of sparring partners, is en route from Paris to Vienna, where Carpentier has an engagement to box Arthur Townley, the English light heavyweight on April 27.

TRAP SHOOTING AT GLEN FALLS

Spring shooting of migratory game birds has been prohibited; it is too early to go trout fishing, so why not try the clay pigeons tomorrow afternoon, at Glen Falls?

Shooting will start at 2 p. m., sharp. A good programme has been arranged. The shoot is open to anyone and no entrance fees are charged. Ammunition will be sold at a reasonable price on the grounds. This is considered a good opportunity for anyone interested in bird shooting to get in some good practice.

RACE FOR 50-YEAR-OLD MEN IS WON BY A FRENCHMAN

Paris, April 16.—The post-war interest in athletics has not only been revived in France, but it has been given a new impetus by the grandfathers. A cross-country race of seven kilometers, run at St. Cloud recently, was called the "ancestors' race" because the participants had to be at least 50 years old in order to qualify. More than 30 persons participated. The winner was M. Verhulst, 64 years old, who covered the distance in 34 minutes 15 seconds.

COLLEGE BASEBALL CANDIDATES MUST PASS WRITTEN TESTS

Bluffton, Ohio, April 17.—A new system of coaching has been inaugurated by A. C. Burchy of Bluffton College. Candidates for the varsity nine must pass a written test on baseball theory before they will be considered. The examination, to be held this week, will include the essentials of the game and the solution of unexpected situations.

TROJANS DEFEAT MONCTON PAWNEES

Visitors Have a One Point Margin for the Title—Locals Protest

The Trojan intermediate basketball team defeated the Moncton Pawnees by a score of 36 to 22 in the Y. M. C. A. gymnasium last night. Although victorious, the locals are unable to claim the provincial intermediate championship, as they failed by one point to equal the total number of points scored by their opponents in the home and home series of games which was to have decided to which team the title was to go.

The locals have formally protested the match on the grounds that Berry, one of the Pawnee players, has already participated in a championship series, and that Hayman, another player, did not feature on the Pawnee lineup until after the close of the league in which they won the championship, which entitled them to play the Trojan intermediate for the provincial honors.

Roy Willet refereed last night's game. The line-up of the two teams and the scoring by individuals follows:

Trojans (36): Forwards—Lee (28), VanBurskirk (4), Christopher (4), G. Triles (6). Centre—Potter (5). Backs—Berry (9), MacMurray (1), Dunham (8), Campbell (8). Spare—Hayman.
