"Only the Scars Remain," Says HENRY HUDSON, of the James Smith Woolen Machinery Co., Philadelphia, Pa., who writes: "Among the many testimonies as to which I see regard to certain medicines performing cures, cleaning the blood, etc., none impress me more than my own case. Twenty years ago, at the age of 15 years, I had swellings come on my legs, which broke and became running sores. Our family physician could do me no good, and it was feared that the bones would be affected. At last, my Mother Urged Me to try Ayer's Sarsaparilla. I took three bottles, the sores healed, and I have not been troubled since. Only the scars remain, and the memory of the good Ayer's Sarsaparilla has done me. I now weigh two hundred and twenty pounds, and am in the best of health. I have been on the road for the past twelve years, have noticed Ayer's Sarsaparilla advertised in all parts of the United States, and always take pleasure in telling what good it did for me." Ayer's Sarsaparilla Cures others, will cure you.

GOMPERS IN AN INTERVIEW SAYS HE DOES NOT SEE HOW THE PULLMAN STRIKE, AS IT NOT ONLY REPRESENTS A STRIKE AGAINST THE INTERSTATE COMMERCE LAW, AND THEREFORE DOES NOT EXPECT THAT THE COMMITTEE OF ARBITRATION TO BE APPOINTED BY THE GOVERNMENT WILL MATERIALLY AFFECT IT.

HEIR MOST'S OPINION.

The Anarchist Editor Condemns Every-Body in General. New York, July 13.—Heir Most in his Freiheit, published an editorial on the western strike. He has this to say: "Cleveland has shown himself a moral criminal in that he has obeyed the demands of that capitalistic committee, the United States senate, and brought about a real coup d'etat in favor of a crowd of robbers who oppress the poor and unfortunate from day to day. The situation grows more critical nevertheless. Workmen seem to understand their business without being ordered or advised to act. It seems that the western militia are in sympathy with the strikers, hence the unconstitutional appeal to 'Federal Oligarchy' Cleveland. This follow declares Philadelphia under martial law. He committed high treason against the country. The sensible Democratic Government or Altdorf showed him up in his true colors. Whatever harm will result from the orders of the 'stable' bog of the nation remains to be seen. The Democrats and Republican parties, their heels and Tammanyites, are as much responsible for these infernal conditions as the miserable scoundrels, the Populists, the nihilists, the trades unionists and all other counselors of confusion. Pallas, Valiant, Henri and Santo are not dead. They will live forever. Beware, you filthy oppressors of rotten powers, some thing unexpected will turn up. You will all come to an abominable end and that by your own doings. Your hands are wash innocent."
