ROSS CREW DEFEATED

Interesting Four Oared Race at the
Carlton Presbyterian Church Ploic
at Westfield Yesterday

The Carlton Presbyterian church
picnic at Westfield yesterday was an
entire success. A very large number
were present and the day was agree-
ably spent. The interesting feature
of the day was the four-oared race
between the two Carlton crews. The
older men who witnessed the race said
that it was quite like the days of the
Paris crew. The course was for two
miles, and resulted in the victory of
the Old Fort crew over the Sand Point
crew by about four lengths. The victo-
rious crew consisted of Wm. Lang,
stroke; Morton McLaren, aft midship;
Samuel Sullivan, fore midship; and
Frank Lloyd, bow.

HALIFAX WINS AGAIN.

GIRL LEFT WORD THAT SHE
WOULD DROWN HERSELF
Miss Ethel Cox Sends Her Clothing Home,
and Disappears.
BEVERLY, Mass., Aug. 6.—The police
of this city are searching for some
trace of Miss Ethel Cox, a shoe stitch-
er, who disappeared from her board-
ing-house at Woburn last Thursday. Miss Cox was employed in a
Beverly factory. On the day of her
disappearance she drew her pay at the
shoe shop and later sent a dress-
suit case containing all her personal
effects to her father, Charles S. Cox,
of South Berwick, Maine.
When Cox opened the suit case he
was astonished to find a note from his
daughter stating that she intended
to drown herself. The father came to
Beverly and with the aid of the police
is searching for some clue which
would lead to the girl's whereabouts.
Miss Cox is 19 years of age and ap-
peared to be in good spirits up to the
time of her departure.

tieth anniversary of your graduation as

GREEK LABORERS
KICKING UP A FUSS
MURPHYSBORO, Ill., Aug. 6.—A
number of rioting Greeks terrorized
the village of Fordyce, ten miles west
of here, this afternoon. Sheriff Han-
son and a posse-let for Fordyce on
learning of the trouble.
Later a messenger from Fordyce ar-
rived with the report that Sheriff
Hanson soon suppressed the rioters
and made 15 arrests.
Many of the Greeks evading arrest,
were driven into the woods.
The Greeks were employed as labor-
ers by the St. Louis Iron Works and
Southern R. R. They demanded the
dismissal of Foreman Robert
Hanson, refusal of Roadmaster Gary
to accede to their demands caused
them to attack House and Gary. The
fighting became general and the vil-
lage was terrorized.
There is no telephone communication
with Fordyce.

tion of the motto on that lovely ring

GRAFFERS ADVOCATES.
(New Glasgow Chronicle.)
One or two stray shots from country
newspapers at The Telegraph and The
Times suggest that the grafters have
a few advocates left.—St. John Tele-
graph.
That's the way. If a newspaper does
not approve of the Telegraph and The
Times selling themselves to the Tories
it's an advocate of graft. Are these pa-
pers themselves not the exponents of
graft? They sold themselves out to the
highest bidder and changed their pol-
itics between two days. If that is not
practical and profitable graft we do
not know the correct application of the
word.

minion was in the city Monday and

government officials in the city. In-
spector Fife will proceed to Halifax
today for the purpose of continuing his
examination.

The central portion of the city was
in darkness for about ten minutes last
night shortly after eight o'clock. The
account of trouble at the electric pow-
er station. The darkness caused con-
siderable inconvenience in the plac-
ing of amusement still open, while the
absence of the street lights on such a
cloudy and dark night had it almost
possible for one to lose his way on the
principal streets.
There was another accident yester-
day afternoon in the Union Blend Tea
warehouse on Dock street and as a re-
sult of the accident some men were at
work putting in some machinery and the
elevator shaft was open and John Lethen
a young fellow about eighteen, stum-
bled into it. Although not considered
seriously hurt, he was taken to the
hospital as his mother was away. Last
night he was reported as resting com-
fortably.

The Teachers' Union held their
regular meeting last night, and after
some discussion it was decided that
owing to the fact that sufficient ad-
vices could not be procured the mem-
bers would be unable to participate in
the parade with the firemen on Labor
Day. The invitation was highly ap-
preciated, however, and a note of
thanks was passed to that effect. Their
decision will cause considerable dis-
appointment, as undoubtedly their
presence in the parade would have been
quite an attraction.

Marlborough Lodge, No. 297, S. E.,
will observe next Sunday as their De-
coration Day. This will be the first of
its nature for the lodge. The members
will wear the usual parade dress and
regalia and will also carry flowers.
They will assemble at Oddfellows' Hall,
Union street at 2.30 p. m., and march
to the cemetery headed by a band of
music. The graves of the deceased
brothers will be decorated with roses
and flags, and a memorial service will
be held at the cemetery. Flowers will
be gratefully received and friends
wishing to donate them will kindly
communicate with R. I. Carross, W. P.,
or C. Ledford, secretary.

The latest addition to the moving
picture shows in this vicinity is in Or-
ange Hall, Fairville, which is known
as the Fairville Nickel. Only recently
when R. J. Armstrong opened a show
of this kind in St. John's, Nfld., the
newspapers there expressed doubt as to
the likelihood of its success. The opin-
ion seems to have changed, as Star
Hall in that city has now been leased
by local people and a second show
opened. The Opera House, which is
the only other place of amusement
in this city which has not already
become a moving picture show, will
also in a short time be given over to
that form of entertainment.
