The Court Has Lost Confidence in Li Hung Chang and Prince Ching-Trouble Cannot be Adjusted Before Next Spring or Summer.

BERLIN, Dec. 1.-An official of the foreign office here informed the correspondent of the Associated Press today that Germany has not indicated a disposition to modify her demands for the punishment of guilty Chinese officials, since she does not yet know what the different powers want.

"Germany, above all," the official said, "wants harmony of action. Germany foresaw that the note formulated by the Pekin ministers would not be accepted entirely by all the powers. We have to admit that several of the powers, including Russia, desire a change in several of the provisions. The whole matter is still involved in great uncertainty, so that it is impossible to predict what form the final agreement will take.'

The correspondent of the Associated Press interviewed the Chinese minister here today. The latter said:

An Interesting Law Suit Over a Cow and a Bill of Sale

WOODSTOCK, Nov. 30.-A case, small in its consequences to either party, but of considerable importance as far as the principle involved, was tried yesterday, occupying the whole of the day, before Police Magistrate Dibblee and a jury. Isaiah Sharp is a respected farmer of Plymouth, on the Northampton side. He is also a man with strong opinions of his own, Some time ago he decided to purchase ecution of Prince Tuan or Gen.
