OVERSEAS MAIL
The British mail closes at 4 p.m. this afternoon for the "S. S. Canada" from Quebec. The West Indies mails via Halifax close at 6 a.m. on Sept. 30.

TRAINS DELAYED
The 5:20 Halifax express was forty minutes late yesterday afternoon, and the Boston train was held over about forty-five minutes to make connections. The Montreal train was also late in getting away. Very heavy traffic and late connections at Moncton was the cause of the Halifax train delay.

N. B. CROP DAMAGE
The Department of Agriculture has received advice that the turnip crop was not damaged by the wet weather. All districts report potatoes much injured by blight and the grain suffering from prolonged wet weather. In Victoria county wheat sprouted in the stack because of the rain. Much grain will have to be used for stock feed because of damage.

A delightful novelty shower was tendered Mrs. R. V. Knorr, at the home of her parents, Mr. and Mrs. J. M. Powers, 14 Germain street, Wednesday evening, when the long distance operators of the N. B. Telephone Company assembled in honor of her recent marriage. The evening was pleasantly spent in games and music, and refreshments were served. All wished Mr. and Mrs. Knorr much future happiness. Many beautiful and valuable gifts were received.

AN AUTOMOBILE CASE
In the police court yesterday morning three youths were arraigned on suspicion of acting together and taking an Overland automobile from the garage of Fred L. Roderick, 183 Cambridge street on September 22. No evidence was taken and they were remanded to jail. The arrests were made in British street by Sgt. McLeese and Policeman McAuley, who saw the car stolen there. The lads at first told the police a reasonable story but not being satisfied, the sergeant found the owner of the car and notified him of his loss. The case will come up later for disposal.

Police Constable Donahue stated the violations of the traffic laws took place at the Mill street crossing at 2:30 Monday afternoon while he was on duty there as traffic officer.

OPPOSITION TO GOVERNMENT NAMES TICKET FOR CITY

Messrs. Tilley, Campbell, Potts and Lewis Chosen by An Enthusiastic and Largely Attended Meeting of Electors —Dr. Baxter Received With Loud Applause — Many Ladies Present.

At a largely attended and united meeting of the electors of St. John held in the Seamen's Institute last night, Messrs. Campbell, Tilley and Potts were chosen to once more represent the party in the coming election. Several names were proposed for the fourth man on the ticket, and James Lewis was finally selected as the unanimous choice of the meeting.

Each of the candidates was called upon to address the meeting. They were greeted with applause and delivered fighting speeches, expressing their position and policy in regard to the temperance question and good roads, in clear cut and well defined terms. The present Government was warmly criticized for its stand in regard to prohibition and its extravagant expenditures in road building.

All united in paying tribute to their leader, Hon. J. B. M. Baxter, and expressed their confidence in the support of the electorate would give him and his followers in the coming election.

Dr. Baxter Called
The newly elected leader of the party, Hon. J. B. M. Baxter, was called upon to address the meeting, and was greeted with three lusty cheers followed by a tiger when he appeared on the platform. His address was followed with close attention as he enunciated what the party stood for and what the people might expect from it if elected to power.

It was not the intention of his party, he said, to bid for the favor of any particular class, but their aim to give to each and every class fair and adequate representation. The office of Minister of Health would be abolished, but the Health Act maintained and united with a Ministry of Labor so that those who toiled with their hands might have direct representation. The farmers were also to get a fair and proportionate membership in the Cabinet and the Government thus constituted would give to each section of the country the representation which was its due.

More and better roads would be made, but with no further bonded expenditures, the people would be given an opportunity to vote on the Dominion Prohibition legislation to assure for all classes. In closing his address, Mr. Baxter spoke of the sterling worth of the candidate they had chosen in James Lewis, and was confident that the people would recognize his ability, as that of the other members of the ticket, and return them all with large majorities.

Gov't Primaries Held Last Evening

Slim Attendance at Most Ward Meetings — Fight Shown in Wellington.

The Government primaries were held last evening and ward executives were chosen as well as delegates to the convention which takes place next Monday evening when the city ticket for the Foster party will be chosen.

The attendance of electors favorable to the party at the meetings was rather slim and the proceedings passed off very quietly, little enthusiasm prevailing.

A sprinkling of women electors was noticed among the representatives from Queens ward though none of them were elected as delegates to the convention. Judging by the slim attendance of women electors last evening this new element in Provincial politics looks with scant favor on the record of the Foster Government and this attitude bodes ill for the Government at the coming elections.

Probably the most enthusiastic meeting was that held in Wellington ward where, after the election of delegates, short speeches were made by the members of the executive. The dyed-in-the-wool Liberals were out in force and the complete list of delegates shows that they are well represented in the numbers going to the convention. They did not take kindly to the treatment they received at the hands of the leader of the Foster party and the opportunists during the recent by-election and rumor has it that they are going to call for a show down next Monday.

FAIR DRAWING CROWDS

There was another big attendance at the Carleton Place Fair last evening. The prizes were won as follows: Door prize, a load of wood donated by the Colwell Fuel Company, won by A. Moore; ladies' air gun, Miss Grace Stachhouse; ten pins, Jeffrey Peters; excelsior, E. Norris.

The fair continues all this week, with door prizes each night.

CLIFTON HOUSE, ALL MEALS 50c

The names of Messrs. James Lewis, P. A. Campbell, Col. H. A. Harrison, Daniel Mullin and H. H. McLellan were proposed, all retiring in favor of Mr. Lewis, who was then elected as the fourth candidate by a unanimous vote.

Candidates Speak
Dr. Campbell was called upon to address the meeting. After thanking the meeting for the honor conferred upon him and his colleagues he spoke of the confidence it would give them to serve under the leadership of the Hon. J. B. M. Baxter who had been elected to the office by the provincial convention of the afternoon. The mention of Mr. Baxter's name was the signal for a salvo of applause which lasted several minutes. Continuing Dr. Campbell referred to the fact that although the Foster Government boasted of the way their accounts had been audited by a firm of high standing, the reports they annually submitted to the House had never yet been signed by that firm. He expressed the hope that the electors would see to it that the whole ticket were elected on October ninth.

L. P. D. Tilley thanked the meeting for his nomination. It had been his intention to retire from political life but the urgings of his friends and the promise of a good fight had induced him to continue as their representative.

Woman's election to the franchise he regarded as an asset in the uplift of the province. He was in favor of a Prohibition Act that really prohibited and thought the importation of liquor into the province should not be allowed. His party would not, if elected, have as Chief Inspector an ex-clearyman, neither would they allow wholesalers to dish liquor out to their friends. In closing he said that the Hon. J. B. M. Baxter was without a peer or equal in the House in all that concerned parliamentary procedure, and the government itself looked to him for guidance.

F. L. Potts received an ovation as he began his address. After expressing his thanks to the meeting he spoke of the immense benefits that had been derived from the Prohibition Act, an act for which the Murray Government had been responsible. While in favor of temperance he did not think the temperance people or any one else should ask a member to pledge himself when running for election.

He caused much merriment in his allusions to the "Boy Premier," and the "how-wow" minister, who was the real Premier of the Province. He spoke of the sweet tongued orator who, in his speech from the throne, was clever enough to substitute the word "durable" for permanent, in speaking of the road the Foster Government had expended a million dollars on. He promised that if the Opposition were returned to power they would not monkey with Prohibition as the present Government had, but would secure a bone dry law for the Province.

Several women were present at the meeting and noted with interest the proceedings, joining in the selection of delegates from their respective wards. Several women were nominated delegates. The meeting broke up after the singing of the National Anthem. A feature of the convention was the number of young men present.

LOCAL MAN IN AUTO ACCIDENT

Severely Cut and Bruised in Mishap at Oromocto While Going to Races.

An automobile accident occurring at Oromocto yesterday, the details of which are lacking, caused serious and painful injury to Harry Warren shipping clerk for the Maritime Mail Co., of this city. He with three other young men of the city composed an auto party going to the races at Fredericton. One story has it that their car was in collision with another car, and Mr. Warren was thrown out. Another story says the car was ditched. Telephone enquiries to Fredericton fail to give anything definite.

Mr. Warren was badly bruised about the head, arms and shoulders, and is now in Fredericton hospital. The attending surgeon, Dr. Irvine, is of the opinion there are no fractured bones. An X-ray examination will be made this morning. The other members of the party escaped injury.

Lindsay-Coy.

Last evening, at the Main street Baptist church parsonage, Ervey A. Lindsay, of Oromocto, Sunbury county, was united in marriage to Mrs. Annie Coy, also of Oromocto. The ceremony was performed by Dr. David Hutchinson. After spending several days in the city, the happy couple will return to Oromocto, where they will reside. Mr. Lindsay is a prosperous farmer of that place.

Keen Interest In Girl Guide Movement

Number of New Troupes to be Formed This Season—Trinity Girls Entertained.

Interest in the Girl Guide Movement is spreading rapidly, and there are rumors of new troupes being formed. Last evening the opening meeting of the Trinity Company was held, and the members are starting the season with many plans for hard work and good times ahead.

The Trinity Girls had as guests last evening the girls of St. Jude's Church, who will form a company. They were accompanied by Rev. J. H. A. Holmes, rector of St. Jude's, Miss Muriel Ellis, who will act as captain, and Miss Wilcox, who will be an assistant.

The Trinity Girls gave a demonstration of the different branches of the work, after which group games were played. The Trinity Company was in charge of Miss Lamoreaux, their captain. Refreshments were served, and all had a very enjoyable time. Miss Irene Barber, of St. Paul's church, was an interested visitor during the evening, as it is hoped to form a company in that parish.

Rev. J. H. A. Holmes, on behalf of the Trinity girls, thanked their hosts and expressed himself as greatly impressed with the excellence of the training as demonstrated by Trinity Company.

It is understood that Wilmot School expects to form a company of Guides this autumn.

A company of Girl Guides was formed yesterday among the day scholars of Netherwood School at Richessey. The organization meeting was held at the residence of Walter Allison, twelve girls being present. Rev. D. H. Loweth and Mrs. Loweth had been asked to assist in forming the company, and an address was given by Mr. Loweth on the aims and requirements of the movement. He described the official uniform and told of the rules and regulations of the Guides. Two patrols were then formed, the Robins and Nightingales, red being chosen as the company color. Miss Dorothy Purdy will act as captain.

The members then adjourned to the garden, where they were instructed in requirements for the Tenderfoot badge, tying of knots and elementary drill. Group games were then played and refreshments served by Miss Allison.

All are entering into the new organization with enthusiasm, and soon there will be a company which will be able to compete with those formed earlier in St. John.

FAREWELL PARTY TO MR. AND MRS. MOTT

Friends Gather at Their Home on Eve of Departure for Wolfville.

About forty relatives and friends gathered at the home of Mr. and Mrs. N. Mott, 13 Rodney street, West End, last evening, to tender them a farewell party on the eve of their departure for Wolfville, N. S., where Mr. Mott intends entering Acadia to study for the ministry.

The evening was pleasantly spent with games and music. W. T. Nelson, on behalf of the gathering, presented Mr. Mott with a handsome club bag suitably engraved. Mr. Mott responded in a few well-chosen words. Refreshments were served, and the gathering dispersed about midnight, after extending to Mr. and Mrs. Mott the best wishes for a successful future.

Mr. Mott has successfully managed the Brager Furnishing Store for a number of years, and was the choir leader and Sunday school superintendent of the Charlotte street Baptist church. The music and choir committee of the church presented him with a well-bound Bible last Thursday night.
